Whenever they hire, the AMCAT-takers get a fair chance for employment.

Some of the key benefits which Aspiring Minds will be able to offer are:

1. Nationwide Visibility and Equal Employment Opportunity, All AMCAT-assessed campuses get high nation-wide visibility and equal opportunity from corporates. All students, be it in metros or small towns, big or small colleges, get highlighted according to their talent without any bias and shall get employment opportunities according to their scores.
2. Customized feedback to each student on employability - AMCAT is a unique placement test, on the basis of which, a detailed feedback and graphical guidance report is shared with the student. This report will lay down the groundwork to help each student assess his/her strengths & weaknesses & enable him/her to improve his/her employability aspects by working towards them.
3. AM Campus Diagnosis Report –The campus administration is also provided with a detailed report for all the students assessed at the campus on request. This provides an understanding of the major strengths and weaknesses of the campus. This report cites the campus's employability index, campus comparison to National standards, comparison among different disciplines and bran
