

One Week National Workshop
ON
MLA'17

Registration Form

Name of the Applicant:.....

Name of the Sponsoring Organization:

Demand Draft Amount : Rs

Demand Draft No :.....

Bank & Branch :.....

Dated :.....

Category:

- UG/PG Student
- Faculty/Research Scholar
- Industry Participant

Signature of the Applicant

Resource Persons

1. **Dr. V M Sandeep**
Professor & Head CSE Dept., JPNCE, Mahabubnagar
2. **Mr. Prem Kumar J**
Product Manager-Mathwork, CAPRICOT Technologies,
Hyderabad
3. **Mr. Vikram Kumar**
Technical Expert, IETE, Hyderabad
4. **Dr. M ChandraShekar**
Technical Manager, BDL, Hyderabad

Registration Fee

UG/PG Students : 750 Rs.
Faculty /Research Scholars : 1000 Rs.
Industry Participants : 1500 Rs.

About JBIET

JBIET (Autonomous) is one of the premier Institution in India, situated in the state of Telangana's capital city Hyderabad popularly called as "City of Pearls". JBIET is developed into Centre of excellence for knowledge and inspiration. The institution offers 07 Under graduate disciplines and post graduate over 06 discipline of Engineering, Around 4000 students from all over the country 250 plus strong team of faculty members are imparting academic instructions through research and innovation.

About The Department

The Department of ECE was established in 1998 with a intake of 60 students for UG program. Present intake is 120. The Department also runs Post graduate programs M.Tech (VLSI) with an intake of 24 students. ECE has to its credit of getting MODROB for VLSI LAB of 24 Lakhs by MHRD, INDIA Projects funded by various organizations including and AICTE are underway. The Department has excellence centres in Robotics, Embedded Systems, Image Processing and VLSI. International Conference on Smart Systems In Electronics & Communication Engineering is one of its credential.

About The Workshop

The **MIA'17** Workshop is designed for participants belonging to researchers, scientists, technocrats, academicians and engineers on one platform, to bring the latest techniques in "**MATLab & Its Applications**" with which they can accomplish their tasks innovatively. This workshop will also attempt to fill the gap between industry and institute for different image and video processing applications.

Topics to be covered:

Image Processing Techniques Emerging Applications and its Challenges

Advance Technology in Image Processing

Real Time Applications in Image Processing

Trends in Content Based Image Retrieval and Enhancement.

Image Modeling and Processing: Theory and Applications

Image Processing: Practice to Research
