

B.VIJAY KUMAR

Designation: Asst.Professor

Qualification : M.Tech

Specialization: Software Engineering

Date of Birth : 04-06-1986

Email: vijaykumar.it@jbiet.edu.in

Contact No: 9985223720/9959025720

Work Experience :

- Teaching: 6.7 Years
- Research:
- Industry:
- Others:

Research Interests : Data Mining

Research Publications :

- National Journals:
- **International Journals : 05**
- Conferences:

Achievements:

Published Papers:

- “Database Schema Paralleling Utility” National Conference on Advancement and Innovations in Engineering, Technology & Management Journal Partner International Journal of Innovative Engineering IN 2015 ISBN: 978-93-85100-35-2.
- “Efficient Multi deployment and Multi snap shooting: Side by Side on Clouds” National Conference on Advancement and Innovations in Engineering, Technology & Management Journal Partner International Journal of Innovative Engineering IN 2015 ISBN: 978-93-85100-35-2.
- “CONTENT DEPLOYMENT BY VIRTUE OF DERIVED COMMUNITIES” International Conference on Computer & Communication Technologies Journal IJACEEE with ISSN: 2248 – 9584.
- “A NOBLE TECHNOLOGY FOR CITATION OF WEB PAGES” National Conference on Advancement and Innovations in Engineering, Technology & Management Journal Partner International Journal of Innovative Engineering ISSN: 2347-750
- Paper Published on “An Assessment on Enhancement of Cloud Using Fog Computing by Administering Decisive Latency and Portability with Decoy Technology”, International Journal of Innovative Research in Science, Engineering and Technology (An ISO 3297: 2007 Certified Organization) ISSN: 2319-8753 ,Vol. 5, Issue 12, December 2016.

Seminars/workshops

- Attended 1 week workshop on “Data Science and BIGDATA analytics” at AVN institute of engineering and Technology conducted by ICT academy on 9th april 2018 to 13th april 2018
- Attended Two Day Faculty Development Programme on significance of outcome based education in achieving excellency, 21st April-22nd April 2017.
- Attended 1 week workshop on Effective Teaching Methodology & Best Practices organized by JBIET, 5th Dec 2016-9th Dec 2016.
- Attended one Day workshop on "Mathematical Ideas for Graduate Students" organized by AIMSCS, 28th Jan, 2015.
- Attended Two Day Faculty Development Programme on Teaching Methodology, 12th & 13th Jan, 2012.

Projects Guided:

- UG : 24
- PG : 3
