

Vision

- To be a Centre of Excellence in the field of Engineering and Technology by imparting core values to the learners with focus on Research and Development along with social responsibilities and global perception.

Mission

- **M1:** To prepare Electronics and Computer Engineering graduates with competence in Engineering with interdisciplinary subjects, so that they can excel in professional career, to pursue higher studies and/or research and development activities.
- **M2:** To develop liaison with Academia - Industry for exposure to the practical and innovative aspects in engineering, entrepreneurial pursuit and to promote social responsibility in the graduates.
- **M3:** To inculcate technical skills along with leadership qualities in students to improve their employability opportunities

Message from Head of the Department, ECM

Dr. Narsappa Reddy
HOD
ECM Department

As we retrospect our glorious journey of about more than two decades, there are numerous commendable achievements and accolades in our list. Our college has been established with the motto of "Quality and affordable education for all the worthy students of this country". My heartfelt congratulations to all the Staff members, Students and Management of the J. B. Group of Educational Institutions for generating quality professionals under various streams of Science & Engineering. I salute our Honorable Founder Chairman Late. Shri. J. Bhaskar Rao Garu for his vision and perseverance in shaping up this organization. The Institute is further leaping forward under the Visionary and Dynamic Leadership of our beloved Secretary Shri. J. V. Krishna Rao Garu . I'm been associated with J. B. Institute of Engineering & Technology for the last 10 Years and I'm very happy and satisfied to be a part of such large organization which is giving livelihood for thousands of employees directly and indirectly and also shaping up the society through its student community. I wish that the Institute will continue to cherish its successful legacy in building the nation in the coming years. I wish you a very good luck for the new beginning. Be strong enough to face the challenge and wise enough to utilize the chances. Believe in yourself and put in your best lawful efforts in whatever you wish to pursue.. ALL THE BEST! Long Live J. B. Group

Message from ECM Faculty Members

It gives me immense pleasure to present the ECHOS a Newsletter of the Electronics and Computer Engineering Department. ECHOS, is an illusive boundary of faith trust worthiness and affection. It is the talent and outcome of our students and faculty members which are reflected through this. Our Newsletter is a balanced collection of departmental technical activities, placement progress, Co-Cicular and Extra-cicular activities, academic achievement, etc. I take this as opportunity to thank our respected Principal Sir, Dr. P. C. Krishnamachary for his incessant inspiration and kind support. I thank our Head of the department for having faith in me and giving me opportunity to work as In charge of the Newsletter.. Thank You all.

Mrs.Kiran Pakmode

It is exciting to know that our department is publishing a newsletter In the era of internet and electronics, such activity has special significance. This is the quickest way of spreading the information to the people who are residing in other regions. launche of newsletter at website of the institute is right approach and is important milestone in this direction. I extend my heartfelt greetings to all the faculty staff & students associated in this endeavor. All the Best!

Md.Asif

Testimonials of Students

JB Institute of Engineering and Technology is a great place to learn, combining top-notch academics with a lively campus life. The Electronics and Computer Engineering department is impressive, offering a modern curriculum and dedicated teachers. The college encourages innovation and critical thinking, preparing students for the ever-changing tech industry. With advanced labs and a focus on practical learning, JB Institute provides a well-rounded education. The faculty is knowledgeable and supportive, creating a positive learning environment. Being part of this college makes me proud, as it values both tradition and innovation, shaping future leaders in Electronics and Computer Engineering.

BANURI PRANATHI
19671A1903

I am a graduate from JB Institute of Engineering and Technology in the stream of Electronics and Computer Engineering from the batch 2019-2023. Firstly, I entered into the college and was introduced to the Department. I was the class CR for four years. It was really a great collaboration with the lectures and fellow mates. We launched new teams and created many memories. The Knowledge and guidance of the lectures made the view of goals even more clear. Academic activities were well managed along with co-curricular. The college environment is suitable for the growth of a student in all aspects. I really wish "All the best" for all the upcoming batches. Please connect with all the peers and lectures and shape your future well.
• Thank you.

KULAKARNI SATHYA SREE
19671A1920

• I am delighted to share my experience at JBIET, in the Electronics and Computer Engineering department. The faculty members have been exceptionally supportive throughout my journey. Their guidance enabled me to actively participate in NSS, SAC, and sports events, enhancing my skills beyond academics. I am grateful for their mentorship, which played a pivotal role in my success. Their expertise, mentorship, and commitment created a supportive environment, fostering both theoretical understanding and practical skills. Their encouragement and guidance were instrumental in shaping my academic and professional growth during my time at JBIET. Their support and encouragement were instrumental in securing a placement offer from Eidiko Integrated Solutions. I attribute my achievements to the excellent education and mentorship provided by the dedicated faculty of Electronics and Computer Engineering.

MEREDDY NITIN REDDY
19671A1924

• JBIET has enriched my education. It will always be the best experience of my life. For any institute, it is the faculty who is the pillar of strength and guidance, and JBIET faculty perfectly exemplifies this pillar. The best aspect is the support we received to step in the challenging world outside of this institute from them. During the course, we were exposed to a plethora of technical and managerial fronts in there, making learning easier and more promising. Presently, I am working in an IT firm. I have realized even more how well I have been groomed to stand tall amidst challenges and continue on my path of success. Thank you JBIET!

DEPARTMENT OF ELECTRONICS AND COMPUTER ENGINEERING

Faculty Members of ECM Department with 2019-23 Batch (Final Year) Students

Faculty Members of ECM Department

EEM Faculty Details

Dr. Narsappa Reddy

- HOD & Associate Professor
- M. TECH, PhD
- EXPERIENCE: 24 Years

Mr. N. Thirupathi Rao

- Associate Professor
- M.Tech, (Ph.D)
- EXPERIENCE: 24 Years

Mrs. Kiran Pakmode

- Assistant Professor
- M.Tech (Electronics)
- EXPERIENCE: 12 Years

Mr. MD. Asif

- Assistant Professor
- M.Tech (ES)
- EXPERIENCE: 10 Years

Ms. Vinayaka Prashanthi

- Assistant Professor
- M.Tech (CSE)
- EXPERIENCE: 08 Years

Ms. M. Anusha

- Assistant Professor
- M.Tech (SE)
- EXPERIENCE: 04 Years

Mr. M.Syam Babu

- Assistant Professor
- M.Tech (CSE)
- EXPERIENCE: 02 Years

Ms. V. Vijaya Sree Swarupa

- Assistant Professor
- M.Tech (VLSI)
- EXPERIENCE: 0.6 Years

Industrial Visits

National Institute of Rural Development and Panchayati Raj (NIRD&PR), Hyderabad

Students of ECM visited to National Institute of Rural Development and Panchayati Raj (NIRD&PR), Hyderabad, an autonomous organisation under the Union Ministry of Rural Development on 15th February, 2023. It is a premier National Centre of Excellence in rural development and Panchayati Raj. Dr. P. K. Bose guided and mentored the students. The campus is of 65 acres consisting of 4 blocks namely: Block- A: Artificial Rural Building Centre, Block -B : Technology Unit, Block C; Block D: Production Unit. Students visited Gandhi Handmade Paper unit , the Green Technology Park, Biogas Plant a larger version of Composter Garden.

Nuclear Fuel Complex, Hyderabad

Visit to Nuclear Fuel Complex, Hyderabad was organized for the students of ECM on 07.06.2023. Nuclear Fuel Complex (NFC), Hyderabad is an industrial unit of the Department of Atomic Energy, Government of India. NFC is the only organization in India which caters to the fuel requirements of nuclear power reactors. Discussed about different energy forms, renewable energy resources, non-renewable energy resources, Nuclear energy and resources. Students visited various production plants

Board of Studies Meeting

XVI Board of Studies meeting of Electronics and Computer Engineering (ECM) department was held on Friday, 2nd June 2023 at 02:00 pm for the students admitting in the Academic Year 2022-23 onwards as per JBIET, R22 regulations. Our HOD sir welcomed and introduced all the BOS members and started the meeting. In this meeting, the minutes of the XV BOS meeting were reviewed. R22 Course Structure and Syllabus for Four Years I-I to IV-II was discussed and approved by the members. The changes proposed for improvement for Academic year 2022-2023 were reviewed. New ideas for addition/ deletion of subjects and Topics, if any, for R22 course structure and Syllabus were invited during this meeting.

Internal Project Expo

Students of ECM Participated in Internal Project Expo on 21-12-2022. The event was organised by IITC, JBIET to showcase the best Innovative projects from Individual Departments for sharing of innovative idea this may lead to patent. Team ECM under the Guidance of Mrs. Kiran Pakmode and HOD Dr. Narsappa Reddy won the BEST INNOVATIVE PROJECT award

Students Interaction outside JBJET

**Awareness Program on Intellectual Property Rights (IPR)
(Under the initiative of Government's "Azadi ka Amrit
Mahotsav")**

Date: 15th & 16th December 2022

Venue: Institution of Engineers, Khairatabad, Hyderabad

**Technology Information, Forecasting and Assessment
Council (TIFAC) Brainstorming workshop on Technology
Vision 2047**

Date: 2nd May 2023

Venue: Indian Institute of Technology, Hyderabad

Guest/Expert Lectures

- **Expert: Mr. Ravikumar. Software Engineer. HCL Technologies. Hyderabad**
- **Date: 20th January 2023**

Fundamentals of Cloud Computing

Training Programs for JV Year Students

DHANUSH – 2024

A Pre-placement Training Program for JV B.Tech J Sem PAT Registered Students

Technical Training: JAVA Programming & Python With Data Structures

Duration: 17-08-2023 to 28-08-2023

Super 100 Batch

A Pre-placement Training Program for JV B.Tech J Sem Students

Technical Training: JAVA Programming , Full Stack & Aptitude Reasoning

Duration: 16-10-2023 to 26-11-2023

Faculty Development Program Organized

One Week Faculty Development Program (FDP) on "Internet of Things (IoT) and its Applications" was organized from 28th February to 4th March 23. Dr. V. Kamakshi Prasad, Professor, Computer Science & Engineering, JNTU, Hyderabad was invited as a Chief Guest for the inauguration function.

The experts from various fields were invited as resource persons during the FDP. Dr. Venu Gopal (Manager - Medeva) - Industry Expert (Industrial Applications of IoT & Overview of IoT Projects), Mr. Shraavan Kumar (ECE - JBIT) (Protocol Stack in IoT & Sensors and Actuators), Mrs. Kiran Pakmode (ECM - JBIT) (Intelligent D2D Communication), Mr. G. Sreenivasulu (CSE - JBIT) (Data Management and Big Data Analytics in IoT), Mr. P. Sreenivas Rao (CSE - JBIT) (Research Topics in IoT and Smart cities), Mr. Abdul Raheem (ECE - JBRCC) (Security and Privacy in IoT), Dr. K. Roshan (AIDS - JBIT), (IoT Physical Design & Characteristics) Dr. L. Sridhar Rao (IT - JBIT) (Case Studies in IoT), Dr. Koushik (Industry Expert) (Software Defined Networking and Its Application over IoT Based System Role of Distributed Data Analysis in IoT)

Robodesign Workshop

Three Days "RoboDesign Workshop" was organized by ECM department from 13th March to 15th March 2023. Robots. The objective of this workshop was to facilitate students to understand, design and learn Robotics, Team work, developing these types of robots requires the knowledge on micro controllers and interfacing motors as well as sensors. The workshop was structured in four sessions Robotics & Kit Explanation, Development & Assembly Duration, Testing & Conclusion and Doubt Solving.

Mr. Baradwaj Arvapally, Co-founder, ABTechVille was invited as Chief guest for the inauguration function. He also took on session that included topics such as How to build a Robot, Robot Simulation Environment, Advantages and disadvantages of Robots, Robot Frameworks: ROS, Types of Industrial Robots.

Seminars/ Workshops/ Conference/

FDPs attended by faculty

Name of the Faculty: Dr. Narsppa Reddy

Title: One Week National Level FDP on Cloud Infrastructure (AWS)

Organized by: AISSMS Institute of Information Technology, Pune in collaboration with Brainovision Solutions India Pvt Ltd and AICTE

Date: 21-08-2023 to 25-08-2023

Name of the Faculty: Dr. Narsppa Reddy

Title: One Week National e-Workshop on Innovation & Intellectual Property Rights

Organized by: Innovative Technology Enabling Centre (InTEC), CSIR-IMMT, Bhubaneshwar

Date: 12-06-2023 to 17-06-2023

Name of the Faculty: Dr. Narsppa Reddy

Title: Fourth International Conference on Innovation in Engineering Sciences (ICIES)

Organized by: Techno Engineering College, Banipur and Global Conference Hub, Coimbatore

Date: 25-02-2023 to 26-02-2023

Name of the Faculty: Dr. Narsppa Reddy

Title: Ten Day Online Workshop on 'Cyber Forensics'
Organized by: Centre of Excellence in Cyber Security, JNTUH

Date: 15-02-2023 to 25-02-2023

Name of the Faculty: Mrs.Kiran Pakmode

Title: Innovation Ambassador (IA) Training 'Advanced Level' (15 Sessions of 30 Contact hours)

Organized by: MoE's Innovation Cell & AICTE

Date: IIC Calander 2022-23

Name of the Faculty: Ms. Anusha Manda

Title: Innovation Ambassador (IA) Training 'Foundation Level' (15 Sessions of 30 Contact hours)

Organized by: MoE's Innovation Cell & AICTE

Date: IIC Calander 2022-23

Name of the Faculty: Ms. Prashanthi Vinayaka

Title: Innovation Ambassador (IA) Training 'Foundation Level' (15 Sessions of 30 Contact hours)

Organized by: MoE's Innovation Cell & AICTE

Date: IIC Calander 2022-23

Name of the Faculty: Md.Asif

Title: Innovation Ambassador (IA) Training 'Foundation Level' (15 Sessions of 30 Contact hours)

Organized by: MoE's Innovation Cell & AICTE

Date: IIC Calander 2022-23

Name of the Faculty: Ms. Vijay Swarupa

Title: Two Week Intensive Teaching Workshop

Organized by: JBIET

Date: 10-07-2023 to 22-07-2023

Name of the Faculty: Mr. Syam Babu

Title: Two Week Intensive Teaching Workshop

Organized by: JBIET

Date: 10-07-2023 to 22-07-2023

Name of the Faculty: Ms. Vinayaka Prashanthi

Title: Online Session on "The Whole and it's Part: A History of Ideas about Brain"

Organized by: Bodh Bridge Educational Services Ltd.

Date: 31-10-2023

Name of the Faculty: Ms. Vinayaka Prashanthi

Title: NEP Orientation & Sensitization Programme-1 ,MM TTP

Organized by: UGC Malaviya Mission Teacher Training Center, JNTUH

Date: 01-11-2023 TO 15-11-2023

Name of the Faculty: Dr. Narsappa Reddy

Title: IP Awareness/ Training Program

Organized by: National Intellectual Property Awareness Mission

Date: 16-12-2022

Name of the Faculty: Mrs.Kiran Pakmode

Title: Faculty Development Program on Entrepreneurship Development

Organized by: National Institute for Micro, Small and Medium Enterprise (sponsored by Department of Science and Technology, Govt.of India)

Date: 04-11-2022 to 25-11-2022

Papers Publication by faculty in Journal

Name of the Faculty: Dr. Narsappa Reddy, N. Thirupathi Rao

Title of Paper: Intelligent Network Slicing for 5G Networks and ML Technologies: A High Level Security Prospective

Journal: International Journal for Innovative Engineering and Management

Date of Publication: January 2023

ISSN: 2456-5083, **Volume/Issue:** Vol 12, Issue 01, **Pages:** 106-117

Name of the Faculty: Mrs. Kiran Pakmode

Title of Paper: Sensing and Electrical Properties of Polyaniline Nanocomposites for Gas Sensor Application

Journal: International Journal of Engineering Technology and Management Sciences (IJETMS)

Publication Year: 2023

ISSN: 2581-4621, **Volume/Issue:** Vol 7 Issue 2, **Pages:** 108-111

Name of the Faculty: Md. Asif, Dr. Narsappa Reddy

Title of Paper: Arduino Based Sensor for Detecting Gas Leakage

Journal: International Journal for System Design and Information Processing

Date of Publication: March 2023

ISSN: 2319-9288 (Print) | 2321-0591 (Online), **Volume/Issue:** Vol 11, Issue 2, **Pages:** 46-48

Name of the Faculty: Dr. Narsappa Reddy

Title of Paper: Synthesis , Characterization, Electrical and Sensing Properties of Polypyrrole Nanocomposite

Journal: GIS Science Journal

Publication Year: 2023

ISSN: 1869-9391, **Volume/Issue:** Vol 10, Issue 3, **Pages:** 515-524

Name of the Faculty: Dr. Narsappa Reddy

Title of Paper: Reduction of Side Lobe in Doppler Tolerant RADAR Using Digital Coding Technique

Journal: International Journal for System Design and Information Processing

Date of Publication: March 2023

ISSN: 2319-9288 (Print) | 2321-0591 (Online), **Volume/Issue:** Vol 11 Issue 01, **Pages:** 247-253

Name of the Faculty: Dr. Narsappa Reddy

Title of Paper: Studies on Thermal, Morphological, Electrical Conductivity and LPG Sensing Behavior of Polyaniline/In₂O₃ NanoComposites Thin Film

Journal: Ferroelectrics (Taylor & Francis Group)

Publication Year: 29 July 2023,

Volume/Issue: Vol 613, **Pages:** 129-136
