

Vision

To be a Centre of Excellence in the field of Engineering and Technology by imparting core values to the learners with focus on Research and Development along with social responsibilities and global perception.

Mission

M1: To prepare Electronics and Computer Engineering graduates with competence in Engineering with interdisciplinary subjects, so that they can excel in professional career, to pursue higher studies and/or research and development activities.

M2: To develop liaison with Academia - Industry for exposure to the practical and innovative aspects in engineering, entrepreneurial pursuit and to promote social responsibility in the graduates.

M3: To inculcate technical skills along with leadership qualities in students to improve their employability opportunities

Message of Dr. Roshan Kavuri, Head of the Department, ECM, JBIET

**Dr. Roshan
Kavuri, Head of
the Department,
ECM**

My heartfelt congratulations to all the Staff members, Students and Management of the J. B. Group of Educational Institutions for successfully completing the 20 Glorious Years in generating quality professionals under various streams of Science & Engineering. On this Auspicious Occasion, I salute our Honorable Founder Chairman Late. Shri. J. Bhaskar Rao Garu and our present Chairperson Smt. J. Vasumathi Devi Garu for their vision and perseverance in shaping up this organization. The Institute is further leaping forward under the Visionary and Dynamic Leadership of our beloved Secretaries Shri. J. V. Krishna Rao Garu and Shri. J. Vamsidhar Garu; and Advisers Smt. Deepika Garu and Smt. Gayathri Garu.

I'm been associated with J. B. Institute of Engineering & Technology for the last 18 Years and I'm very happy and satisfied to be a part of such large organization which is giving livelihood for thousands of employees directly and indirectly and also shaping up the society through its student community. I wish that the Institute will continue to cherish its successful legacy in building the nation in the coming years. My Heartfelt congratulations to all the students who are successfully graduating from JBIET. I wish you a very good luck, for the new beginning. Be strong enough to face the challenge and wise enough to utilize the chances. Believe in yourself and put in your best lawful efforts in whatever you wish to pursue. Congratulations to all of us! Long Live J. B. Group!

Faculty Members of ECM Department with Principal

Message of Students, Department of ECM, JBIET

J B Institute of Engineering and Technology has been a great contributor to the development of my personality and career. Especially, the Department of Electronics and Computer Engineering (ECM) has been a great support for me both academically and morally. It gives me great pleasure to say with pride that I have completed my B. Tech in ECM from this college. The relationship between faculties and student is very cordial, which gave me an opportunity to excel in my area of interest. After B. Tech I have chosen to pursue higher studies in the US, and it was only possible with the guidance of my professors. I really thank each and every faculty and non-faculty of this ECM department who made my dream come true.

SUHAS ATHAM
IV YEAR ECM

D. SHIVA RAM REDDY,
IV YEAR ECM,

I still remember the day I joined JBIET in ECM department, there were lot of questions in my mind about the college, department and engineering. But today I am really thankful to JBIET and our ECM department for helping me in enhancing my academics and interpersonal skills. Initially they were strict in the 1st and 2nd years but as the days passed the bond between students and faculty increased, today we are almost friends. Huge respect, love and devotion for entire faculty members, HOD sir and department. I am also grateful to our TPO and Training and Placement Cell for organizing placements in this pandemic and helping me to get placed with a high package. Finally, my four years at JBIET have been a wonderful experience of learning with prolific exposure to outside.

I am glad to share my pleasant journey and experience being part of JBIET family. I joined JBIET as an ambitious student with my heart very much inclined towards Electronics and Computer science. All the faculty members are very supportive, favorable and have given immense guidance. My sincere gratitude and appreciation to all the faculty members and the placement cell for their efforts in imparting quality technical, aptitude knowledge and life skills. They really work hard to make sure that students get placed in top MNC's in the market. I got placed in CSS CORP and it is because of the efforts made by our faculties and the Training and placement cell, which always make sure that students get placed in best company. There are many workshops and seminars conducted by industry experts, professors and students. There are different clubs which helps one cultivate their talent. Besides academics, the events, non-technical contests, Sports, Cultural festivals are the highlights of JBIET. These four years have given me the friends for life. I feel extremely delighted for being part of JBIET. I have emerged as a new individual. All thanks to JBIET family.

Vedula. N. B. S. Mahathi
IV YEAR ECM

SANDEEP AKULA
IV YEAR ECM

It's been a privilege to represent JBIET as the Captain of Football team. The support given by Electronics and Computer Engineering department has been phenomenal and best among all the other departments. I've learned a lot from being a player in this sport and hope the next generation of students from this department take up Football as their Primary Choice of Sport.

XV Board of Studies Meeting

XV Board of Studies meeting of Electronics and Computer Engineering (ECM) department was held on Wednesday, 28th April 2022 at 02:00 pm for the students admitting in the AY 2022-23 onwards as per JBIET, R22 regulations. Our HOD sir welcomed and introduced all the BOS members and started the meeting. In this meeting, the minutes of the XIV BOS meeting were reviewed. R22 Course Structure and Syllabus for Two Years I-I to II-II was discussed and approved by the members. The syllabus for Internet of Things for CSE, IT, AIML and AIDS was also approved. The changes proposed for improvement for Academic year 2022-2023 were reviewed. New ideas for addition/ deletion of subjects and Topics, if any, for R22 course structure and Syllabus were invited during this meeting.

Industrial Visit to NRSC-ISRO

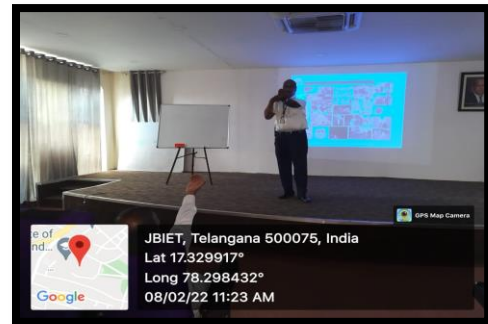

Department of Electronics and Computer Engineering had arranged a full day industrial visit to NRSC-ISRO (Jeedimetla) on 28th April, 2022, 19 students of 2nd year and two faculties had taken part. Briefing was given about ISRO. A video clip of making and launching of Chandrayaan-1 was shown. Scientist Srinivas explained each and every models of all the satellites launched by ISRO, the real cameras used in satellite imaging, various types of antennas, payloads, electronic devices used in satellite, different photographs taken by the satellite and technical details of each part of the satellite which were displayed in space exhibition. The visit to ISRO was very informative, as students got a complete idea about the parts, working and launching of satellites. They got an idea of what to be done to join ISRO in future. It was also very helpful for expanding their knowledge about space research.

Guest Lectures Organized

GUEST LECTURE ON “SURVIVAL AND GROWTH OF ENGINEERS IN THE NEW MILLENNIUM”

Department of Electronics and Computer Engineering, JBIET had conducted a Guest Lecture on “Survival and Growth of Engineers in the New Millennium” on 8th February 2022 (Tuesday). The guest lecture was scheduled to start at 10.00 am in M.N Rao Auditorium, JBIET. The lecture was delivered by Mr. Rajesh Pershad, Associate Professor & HOD, MBA Department, JBIET. All students of II, III and IV years of Electronics and Computer Engineering Department were present at this knowledge sharing session.

GUEST LECTURE ON “DATA SCIENCE FOR ENGINEERS”

Department of Electronics and Computer Engineering, JBIET had conducted a Guest Lecture on “Data Science for Engineers” on 11th February 2022 (Friday). The guest lecture was scheduled to start at 10.30 am in Placement Seminar Hall, JBIET. The lecture was delivered by Dr. Suresh Dara, Professor in Computer Science and Engineering, BVRIT, Narsapur. All students of II, III and IV years of Electronics and Computer Engineering Department were present at this knowledge sharing session.

Papers Published by faculty in Journals

1. Dr. Narsappa Reddy, Associate Professor, ECM Department published a paper titled “Conductivity, Magnetic and LPG Sensing behavior of PANI/CaFe₂O₄ Nano Composites”, in the journal Taylor & Francis, indexed in Scopus, Vol. No 585, Page nos. 62-69, ISBN/ ISSN 199-1225, Year- 2021
2. Dr. Narsappa Reddy, Associate Professor, ECM Department submitted paper titled ”Synthesis, Electrical,Magnetic and LPG Sensing Behaviour of Conducting Polymer/ZnONanocompsites” in Ferroelectric Journal Vol 599, 2022. His paper is being accepted by the journal and will be published in December 2022.

Papers Presented by faculty in Conferences

1. Dr, Narsappa Reddy, Associate Professor, ECM Department presented a paper titled "Structure and morphological study of electron beam irradiated polyaniline/LiClO₄ composite", in AIP Conference Proceedings 2317, 020020 (2021); <https://doi.org/10.1063/5.0036375>
2. Dr, Narsappa Reddy, Associate Professor, ECM Department presented a paper titled "Dielectric studies on polyaniline/Cadmium Oxide/ZnO Nanocomposites Thin Films", Proceedings of "International Conference on Advances in Management and Technology ISBN: 978-93-5426-863-2.

Patents Filed/ Published/ Granted

1. Dr. Roshan Kavuri, HOD & Associate Professor, published patent titled "IoT, Artificial Intelligent and YOLOv3 based Infrared Anomaly Detection for Power Equipment", with Application No./ Ref. No.: 3637 & Date of filing 12-02-2022
2. Dr. Roshan Kavuri, HOD & Associate Professor, published patent titled "A Framework for Cooperative Spectrum Sensing for Optimal Resource Allocation towards Green Cognitive Radio Networks", with Application No./ Ref. No.:2933 & Date of filing 04-03-2022.
3. Dr. Narsappa Reddy , Associate Professor published patent on title "Intelligent Wi-Fi Communication System With Defined Notification", with Application No./ Ref. No.:11/982,458 & Date of filing 23-07-2020 .
4. Mr. Md. Asif, Assistant Professor, published patent titled "A Framework for Cooperative Spectrum Sensing for Optimal Resource Allocation towards Green Cognitive Radio Networks", with Application No./ Ref. No.:2933 & Date of filing 04-03-2022.

Faculty Achievements

Dr. Roshan Kavuri, HOD, ECM, Dr. Narsappa Reddy, Associate Professor, Mr.N.Thirupathi, Associate Professor, are awarded with Certificate of Appreciation for performing excellent work in the process of UGC Autonomous and NBA Accreditation by the management of JB Group on 09 June 2022.
