

Rangoli Competition: 1st Price

On the occasion of **Sankranti Sambaralu 2026**, JB Institute of Engineering & Technology (JBIET) Competition to promote traditional art forms and encourage faculty participation in cultural activities. A **team of women faculty members from AI&ML** actively participated in the event, demonstrating creativity, artistic skill, and cultural awareness through their Rangoli designs.

The team's collective effort and thematic presentation were highly appreciated by the judging panel. In recognition of their outstanding performance, the AI&ML women faculty team **secured the First Prize**, which was formally awarded by the **Principal of**

JBIET. The achievement highlights the AI&ML Department's commitment to cultural engagement and the active involvement of faculty

members beyond academic responsibilities.
