REPORT

Event Name: Problem Solving and Ideation Workshop

Date: 25th February, 2023 & 3rd March, 2023

Time: 11:00 AM-03:00 PM

Total No. of Participants: 27

Brief about the Session:

- The objective of the workshop is to build confidence, enhance their knowledge and get the Ideas from students related to various domains.
- Presentation of Ideas by Students to the Judges.
- Discussion about the Student's ideas among Judges, Faculty coordinators and participants
- Our Principal Dr. P. C. Krishnamachary informed the students that marketing and innovations are the two essential elements for growth as: Productive and innovation enables to be proactive in anticipating emerging trends Innovation is important to the advancement of society as well as for an organisation. Innovation is very important for companies as companies often see their employees creativity as a solution.
- Top two Student's Ideas were awarded with 1st and 2nd Prize by the Principal.
