**Speak and Lead**

**Under ECHOS**

**Date: 30-01-2026**

## **Details of the event:**

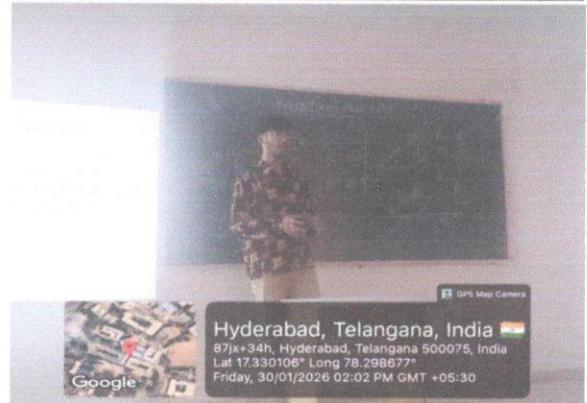

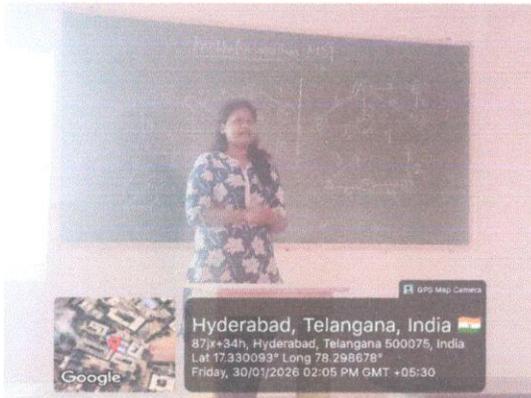

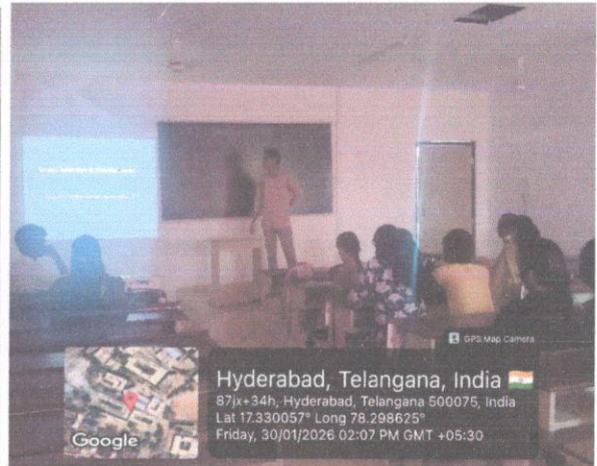

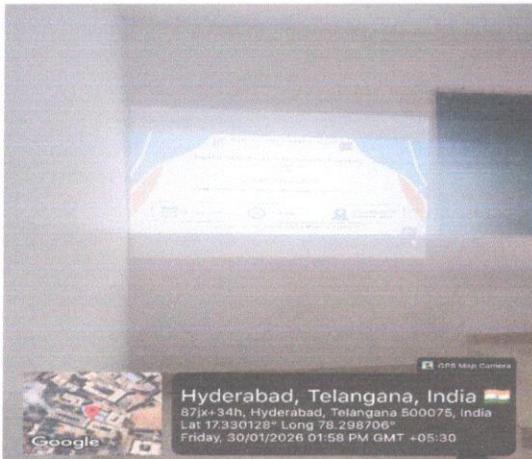

Department of Electronics and Computer Engineering organised an activity to “Speak and Lead” on 30<sup>th</sup> January 2026. The students of 2<sup>nd</sup> year participated in this event. The aim of this event was to:

- Build confidence in the students
- Improve expressions
- Build student’s communication
- Build professional presence.
- To excel in interviews, group discussions, presentations, and professional interactions that matter for career success.

The following topics given to the students for presenting and giving insights:

1. The impact of social media on mental health
2. Should AI be regulated like public utilities
3. fast fashion and environmental damage
4. Global conflicts and their impact on everyday citizens
5. Work-life balance in a 24/7 digital world
6. Screen addiction and attention spans
7. Should exams still define intelligence.
