PREAMBLE

The Department of Electrical and Electronics Engineering has conducted Technical Event named “**ELECTROVISTA**” in association with **ELEXSA**, Student’s Association as a part of **ENERGEX 2K26** for all the students of Under Graduate program.

J.B. Institute of Engineering and Technology was established in 1998, popularly known as JBIET, is a UGC approved Autonomous Institution. JBIET is a NBA and NAAC accredited Institution. The Institute has various laboratories, workshops and other support systems to provide a hands-on experience. It can boast of its well qualified and expert faculty who inculcate the best values and principles. The Institution aims at the holistic development of the Students and has a notable Placement track record. The institute also nurtures and promotes Entrepreneurship, provides end to end support in the form of funding for startups. JBIET has been ranked consistently among top Institutions in Telangana and India.

Department of Electrical and Electronics Engineering is one of the oldest departments of JBIET, started in 1998 with a team of highly experienced faculty members. Department offers one UG program (B. Tech–EEE) and one PG program (M. Tech–EPS), with a present intake of 30 UG and 7 PG students. It is accredited by NBA under Tier-I. The department organized various programs such as Faculty development programs, hands-on sessions and technical workshops to strengthen the overall development of the Students and Faculty.

A glimpse on **ELECTROVISTA**:

The **ELECTROVISTA** was organized to provide students with an opportunity to showcase their innovative ideas, technical skills, and practical knowledge through working models and research projects. The event encouraged creativity, teamwork, and problem-solving while promoting interaction between students, faculty members, and industry experts.

The projects covered various domains such as Artificial Intelligence, Internet of Things (IoT), Robotics, Software Development, Renewable Energy, Smart Agriculture, Healthcare, and Environmental Sustainability. Faculty members and external judges evaluated each project based on innovation, technical implementation, practical application, and presentation skills.

Project expo typically concluded with feedback from judges and recognition of the best-performing teams. A cash prize of Rs. 1000/- and Rs. 500/- are distributed to Winner & Runner teams respectively along with medals and certificates.

CIRCULAR

All the students of II, III, and IV Year are hereby informed that, as part of INFOQUEST'26, our department is organizing ENERGEX 2K26 in association with ELEXSA. A series of Technical and Non-Technical Events have been scheduled as follows:

- **TECHNICAL EVENTS** - 12th March 2026
 1. Electrovista - Project Expo
 2. Electronexus - Circuit Connections
 3. Electrobuzz - Quiz
- **NON-TECHNICAL EVENTS** - 16th March 2026

All students are strongly encouraged to participate in all the above events. Your active participation is essential for the success of the fest and will provide a valuable platform to showcase your technical skills, creativity, and teamwork.

Students are therefore instructed to register and participate actively and make ENERGEX 2K26 a grand success.
