PREAMBLE

The Department of Electrical and Electronics Engineering has conducted the Industrial Visit to “**IPCS LOBAL SOLUTION PVT.LTD. Ameerpet**” for the II year students of Under Graduate program.

J.B. Institute of Engineering and Technology was established in 1998, popularly known as JBIET, is a UGC approved Autonomous Institution. JBIET is a NBA and NAAC accredited Institution. The Institute has various laboratories, workshops and other support systems to provide a hands-on experience. It can boast of its well qualified and expert faculty who inculcate the best values and principles. The Institution aims at the holistic development of the Students and has a notable Placement track record. The institute also nurtures and promotes Entrepreneurship, provides end to end support in the form of funding for startups. JBIET has been ranked consistently among top Institutions in Telangana and India.

Department of Electrical and Electronics Engineering is one of the oldest departments of JBIET, started in 1998 with a team of highly experienced faculty members. Department offers one UG program (B. Tech – EEE) and one PG program (M. Tech – EPS), with a present intake of 120 UG and 18 PG students. It is accredited by NBA under Tier-I. The department organized various programs such as Faculty development programs, hands-on sessions and technical workshops to strengthen the overall development of the Students and Faculty.

An overview of the Visit is as follows:

IPCS Global is a world’s trusted technical training provider. We have branches at 25+ locations in India and all over the world. Our Hyderabad location is situated in Panjagutta, one of Hyderabad’s busiest and most populous neighbourhoods. The Hyderabad branch of IPCS Global offers the best-in-class automation course in Hyderabad in addition to PLC, CCTV, SCADA, and BMS courses in Hyderabad. We have a spotless, top-notch laboratory facility. We offer excellent equipment and resources that assist the students in improving their talents. Our personnel at IPCS Global are highly skilled and have practical knowledge of the industrial setting. Each student who completes the course will be placed at IPCS Global thanks to a specialised placement cell.
