PREAMBLE

The Department of Electrical and Electronics Engineering has conducted the Industrial Visit to “**GUEST LECTURE to ACE ACADEMY**” for the II year students of Under Graduate program.

J.B. Institute of Engineering and Technology was established in 1998, popularly known as JBIET, is a UGC approved Autonomous Institution. JBIET is a NBA and NAAC accredited Institution. The Institute has various laboratories, workshops and other support systems to provide a hands-on experience. It can boast of its well qualified and expert faculty who inculcate the best values and principles. The Institution aims at the holistic development of the Students and has a notable Placement track record. The institute also nurtures and promotes Entrepreneurship, provides end to end support in the form of funding for startups. JBIET has been ranked consistently among top Institutions in Telangana and India.

Department of Electrical and Electronics Engineering is one of the oldest departments of JBIET, started in 1998 with a team of highly experienced faculty members. Department offers one UG program (B. Tech – EEE) and one PG program (M. Tech – EPS), with a present intake of 120 UG and 18 PG students. It is accredited by NBA under Tier-I. The department organized various programs such as Faculty development programs, hands-on sessions and technical workshops to strengthen the overall development of the Students and Faculty.

An overview of the Visit is as follows:

ACE Academy has garnered attention for its engaging narrative, well-developed characters, and appealing art style. It has a strong following in the visual novel and dating sim communities, with players drawn to its blend of romance, adventure, and decision-making. The game’s replay value is high due to the branching storylines and multiple relationship paths. ACE Academy is typically available on PC and may be accessible through platforms like Steam, Itch.io, or others. It may also be available on mobile devices, depending on the version. In summary, ACE Academy is a character-driven, choice-based visual novel that offers an interactive, immersive experience set in a school environment. It blends romance, drama, and personal development, making it a beloved title in the visual novel genre.
