PREAMBLE

The Department of Electrical and Electronics Engineering has conducted the Industrial Visit to “**KTPS, PALVANCHA**” for the III year students of Under Graduate program.

J.B. Institute of Engineering and Technology was established in 1998, popularly known as JBIET, is a UGC approved Autonomous Institution. JBIET is a NBA and NAAC accredited Institution. The Institute has various laboratories, workshops and other support systems to provide a hands-on experience. It can boast of its well qualified and expert faculty who inculcate the best values and principles. The Institution aims at the holistic development of the Students and has a notable Placement track record. The institute also nurtures and promotes Entrepreneurship, provides end to end support in the form of funding for startups. JBIET has been ranked consistently among top Institutions in Telangana and India.

Department of Electrical and Electronics Engineering is one of the oldest departments of JBIET, started in 1998 with a team of highly experienced faculty members. Department offers one UG program (B. Tech – EEE) and one PG program (M. Tech – EPS), with a present intake of 120 UG and 18 PG students. It is accredited by NBA under Tier-I. The department organized various programs such as Faculty development programs, hands-on sessions and technical workshops to strengthen the overall development of the Students and Faculty.

An overview of the Visit is as follows:

A **KTPS visit** provides a deep dive into the functioning of one of Telangana's primary sources of power. It highlights the intricate process of converting coal into electricity, the importance of maintaining safety and environmental standards, and the ongoing efforts to modernize and innovate within the energy sector. For students, engineers, or industry professionals, a tour of Kothagudam Thermal Power Station is a valuable experience to learn about the operational and technical aspects of thermal power generation.
