PREAMBLE:

The Department of Electrical and Electronics Engineering has conducted the Inauguration of Students Association "ELEXSA" for all the students of under Graduate program.

J.B. Institute of Engineering and Technology was established in 1998, popularly known as JBIET, is a UGC approved Autonomous institution. JBIET is a NBA and NAAC accredited Institution. The Institute has various laboratories, workshops and other support systems to provide a hands-on experience. It can boast of its well qualified and expert faculty who inculcate the best values and principles. The institution aims at the holistic development of the students and has a notable Placement track record. The institute also nurtures and promotes Entrepreneurship, provides end to end support in the form of funding for start-ups. JBIET has been ranked consistently among top institutions in Telangana and India.

Department of Electrical and Electronics Engineering is one of the oldest departments of JBIET, started in 1998 with a team of highly experienced faculty members. Department offers one UG program (B.Tech -EEE) and one PG program (M.Tech-EPS), with a present intake of 120 UG and 18 PG Students. It is accredited by NBA under Tier-1. The department organized various programs such as Faculty development programs, hands-on sessions and technical workshops to strengthen the overall development of the students and Faculty.

Proceedings of the Event:

The **Department of Electrical and Electronics Engineering** organized the **Alumni Meet** on **23rd August 2025** in JBIET. The event witnessed the participation of several distinguished alumni who shared their experiences and interacted with the present graduating students.

Dr. P. Duraipandy, Head of the Department of Electrical and Electronics Engineering, welcomed the alumni, faculty, and students. The HOD emphasized the importance of alumni engagement, mentorship, and innovation, and appreciated the faculty's dedication in shaping the students' careers.

Among the attendees, **Mr. Sekindar**, alumnus of the **2000–2004 B.Tech (EEE) batch**, along with his classmates, graced the occasion and delivered an inspiring address.

In his speech, **Mr. Sekindar** expressed his happiness at revisiting his alma mater and conveyed his appreciation for the remarkable progress and achievements of the institution since his graduation.

He, along with his classmates, encouraged the graduating students to uphold the values instilled during their academic journey, to embrace continuous learning, and to remain committed to professional excellence. They emphasized the importance of innovation, teamwork, discipline, and ethical responsibility in shaping successful engineering careers.

The session concluded with a note of appreciation to **Mr. Sekindar and his classmates** for their inspiring words and valuable interaction with the students. Their presence added warmth and significance to the Alumni Meet, strengthening the bond between past and present generations of JBIETians.

Event Highlights:

The Alumni Meet Programme Included:

- **Welcome address** by the Head of the Department, highlighting the importance of alumni engagement and continuous learning.
- **Introduction of distinguished alumni** from various batches of the Department of Electrical and Electronics Engineering.
- **Inspirational address by Mr. Sekindar and his classmates** (Batch of 2000–2004), sharing professional experiences and motivating the graduating students.
- **Interactive session** between alumni and current students, focusing on career guidance, technical advancements, and industry expectations.
- **Experience sharing** by alumni from different batches, followed by an open discussion with faculty members.
- **Vote of thanks** by the Head of the Department, EEE expressing gratitude to all the participants and contributors.
- **Group photograph session** followed by **refreshments**.

The gathering served as an inspiring platform, honoring the contributions of alumni and educators while strengthening the sense of pride and commitment within the JBIET community.
