## PREAMBLE

The Department of Electrical and Electronics Engineering has conducted the Industrial Visit to “SINGUR PROJECT,Sanga reddy - Hyderabad” for the II year students of Under Graduate program.

J.B.Institute of Engineering and Technology was established in 1998,popularly known as JBIET, is a UGC approved Autonomous Institution. JBIET is a NBA and NAAC accredited Institution.The Institute has various laboratories,workshops and other support systems to provide a hands-on experience. It can boast of its well qualified and expert faculty who inculcate the best values and principles. The Institution aims at the holistic development of the Students and has a notable Placement track record. The institute also nurtures and promotes Entrepreneurship, provides end to end support in the form of funding for startups.JBIET has been ranked consistently among top Institutions in Telangana and India.

Department of Electrical and Electronics Engineering is one of the oldest departments of JBIET,started in 1998 with a team of highly experienced faculty members.Department offers one UG program(B.Tech–EEE)and one PG program(M. Tech–EPS),with a present intake of 30 UG and 18 PG students. It is accredited by NBA under Tier-I. The department organized various programs such as Faculty development programs, hands-on sessions and technical workshops to strengthen the overall development of the Students and Faculty.

### An overview of the Visit is as follows:

The overall visit deals with the explanation about the following Topics:

1. Power generation
2. Types of Power plants
3. Constructional features of the Power  
Plant a)Reservoir  
b)Dam  
c)Penstock  
d)Turbine  
e)Generator  
f) Transformer
4. Control room

Subject: Request for Permission to Conduct an Industrial Visit to Singur Dam - Reg.

Respected Sir/Madam,

Greetings from JB Institute of Engineering & Technology (JBET).

We, are planning to organize an Industrial/Educational Visit to Singur Dam for our II Year B.Tech -  
EEE students.

This visit is part of our academic curriculum to provide students with practical exposure to Hydro-electric power generation concepts, Dam operation and water management, Power house functioning & protection systems, Real-time electrical equipment and safety practices.

The visit is tentatively planned on Saturday, i.e., 22-11-2025. A total of 32 students along with 2 faculty members will participate. We assure you that all students will strictly follow safety rules and instructions given by your staff.

We kindly request you to grant permission and provide the necessary support to make this industrial visit successful. Your cooperation will greatly benefit our students' technical learning.

Thanking you

Regards,

Principal
