INNOVATE X

MARCH 4th & 5th 2025

INFOQUEST '25

INNOVATE X

INNOVATE X, is an Arena of Technical and Non-Technical Events, conducted by the department of **Information Technology of JBIET Engineering College.**

The event was inaugurated by our honorary dignitaries viz. Principal of JBIET **Mr. Krishnamacharya Sir**, Dean of CSE & IT **Mr. Venkata Krishna Sir**, HOD of IT **Mr. Ramesh Babu Sir**, all the staff members and the students of IT dept.

This creative and jubilant platform incorporates two kinds of events.

1. Technical Events (On 4th March, 2025)
2. Non-Technical Events (5th March, 2025)

Executing technical events absolutely make all the participants to be technically future ready.

The primary intention of conducting these events in our esteemed institution is, to foster innovative, mathematical and analytical abilities in every student and enhance/transform their classroom learning skillset into industrially applicable ideal personality.

Non-technical events play a pivotal role in team building skills and the purpose of being united to solve any complex problem. They help the students to, even give importance to extra-curricular activities to maintain a healthy and balanced happy-life.

Brief description of the programs conducted :

1. Technical Events :

a. CODEMAZE : (Crack! The Code Escape The Maze)

All the participants of this event will be given specific computational codes with gaps in the middle of their logical sequences.

They must apply their programming, logical and analytical abilities to solve the given problems.

The participant who cracks it accurately and efficiently in the given time bound, he/she will be considered as the winner of the **CODEMAZE** event.

b. TECHTRIVIA : (The Ultimate Battle Of Tech Wits!)

All the participants of this event will be given some core computational codes in a jumbled pattern and the participants must apply their thought process to correctly organize the given code and crack the output.

The participant who cracks it accurately and efficiently in the given time bound, he/she will be considered as the winner of the **TECHTRIVIA** event.

2.Non-Technical Events :

a. Cards of Fate: (Where every card brings a new challenge)

Hearts Echo Of Trust

This level deals with the psychological thinking of the students where the students will be formed as a random team and each one will be given a symbol which is unknown and have to be guessed with the help of others.

a.1 Diamonds- “Hidden Realm”

This level deals with the focus of the players where a pair of students will be formed as a team and few objects will be placed with some points,

the team which earns more points by acquiring the object then the team turns up to the winning team.

b. Poster Design: (Where Art meets Impact)

All the participants of this event are advised to select any creative, technical and subjective topic/concept to sketch all the elements of their ideas on a drawing canvas.

This non-technical and creative event reverberates the presentation and creative abilities of the students.

This platform helps them to develop their expressive skills and overcome the fear of public speaking.

Encouraging Students with participation Certificates:

Encouraging the event organizers with appreciation certificates:

Conclusion of the event:

The 2-day joyful event is passed successfully by the cooperation of all the honorable dignitaries and students.

Each one played an essential role in making this arena grand success.

We wish it could give us a strong support to continue many of such beneficial events in our future endeavors.
