

Career Guidance Program for Competitive Exams
Organized by: TIME Institute
For : B.Tech Mechanical Engineering Students

The Department of Mechanical Engineering organized a Career Guidance Program in collaboration with TIME (Triumphant Institute of Management Education Pvt. Ltd.) to guide students about career opportunities after B.Tech and the preparation strategies for various competitive examinations. The event aimed to create awareness among students regarding higher education, government sector opportunities, and private sector career options.

Event Details

Date: 21st August 2025

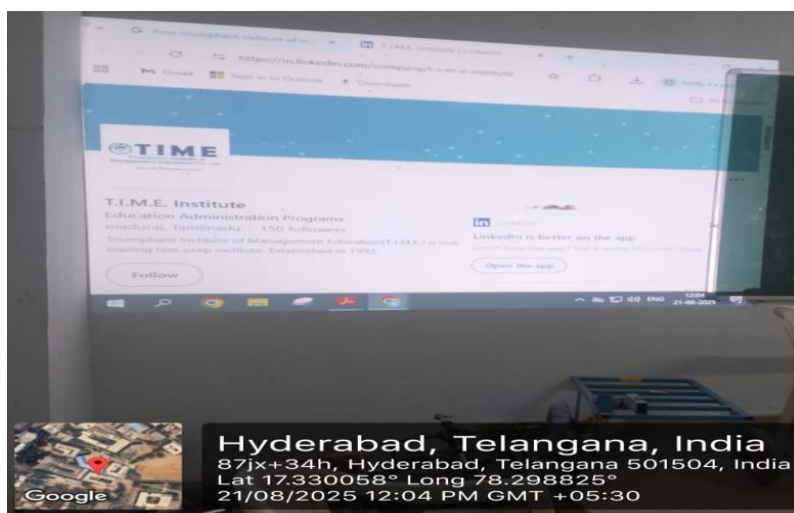

Time: 11:30 AM – 12:30 PM

Venue: [Seminar Hall, JBIET Mechanical Department]

Resource Person(s): Eminent career counsellors and faculty members from TIME Institute

Objectives of the Program

1. To familiarize students with various competitive exams such as GATE, ESE, PSU recruitments, GRE, CAT, SSC, and Banking exams.
2. To provide insights into effective time management, exam strategies, and study planning.
3. To motivate students to identify their career goals and work consistently towards achieving them.
4. To highlight the role of mechanical engineering graduates in both technical and managerial domains.

A career guidance program for the B.TECH Mechanical engineering students on 21/08/2025

Program Highlights

The session began with a welcome address by HOD, ME.

Experts from TIME Institute explained the scope of higher education in India and abroad.

Detailed discussions were held on:

GATE Examination and its role in PSU jobs and higher studies.

Engineering Services Examination (ESE) for entry into prestigious government services.

Management Entrance Exams (CAT, MAT, XAT, GMAT) for pursuing MBA.

Overseas Education (GRE, TOEFL, IELTS) opportunities for mechanical graduates.

SSC, Railways, Banking & Defence exams for alternative career paths.

Students were guided on preparation strategies, study material, and time management techniques.

A career guidance program for the B.TECH Mechanical engineering students on 21/08/2025

A Q&A session allowed students to clarify their doubts directly with the experts. Students gained awareness about the diverse career options available after B.Tech Mechanical Engineering. Participants learned about the importance of competitive exams and systematic preparation. Many students expressed motivation to set career goals and plan effectively. The event created a bridge between the academic curriculum and career oriented preparation.

The participants appreciated the initiative and found the session informative, inspiring, and practical. They requested more such workshops focusing on mock tests, personal mentoring, and technical interview preparation.

The Career Guidance Program by TIME Institute, held on 21st August 2025 from 11:30 AM to 12:30 PM, proved to be a valuable learning platform for B.Tech Mechanical students. It enabled them to explore a wide range of career prospects and equipped them with strategies to excel in competitive exams. The Department of Mechanical Engineering plans to organize similar sessions in the future to continue supporting students in their career development journey.
