**Date: 07/02/2026**

**DEPARTMENT OF MECHANICAL ENGINEERING**  
**REPORT ON**  
**Expert Talk on**  
**“ART OF SMART WORK”**

**1. Event Title:** Expert Talk on “Art of Smart Work”

**2. Event Date:** 07th February 2026

**3. Event Duration:** 11:00 AM Onwards

**4. Event Venue:** Placement Seminar Hall, JBIET

**5. In Association With:** Indian Institute of Technology (IIT) Hyderabad

**6. Resource Persons:**

**Mr. Gajendranath Ch**

Associate Professor

IIT Hyderabad

**7. Chief Patron:** Shri. J.V. Krishna Rao – Secretary, JBES

**8. Patrons:**

Dr. P.C. Krishnamachary – Principal, JBIET

**9. Convener:**

Dr. Anoop Kumar

HOD – Mechanical Engineering, JBIET

## 10. Coordinators:

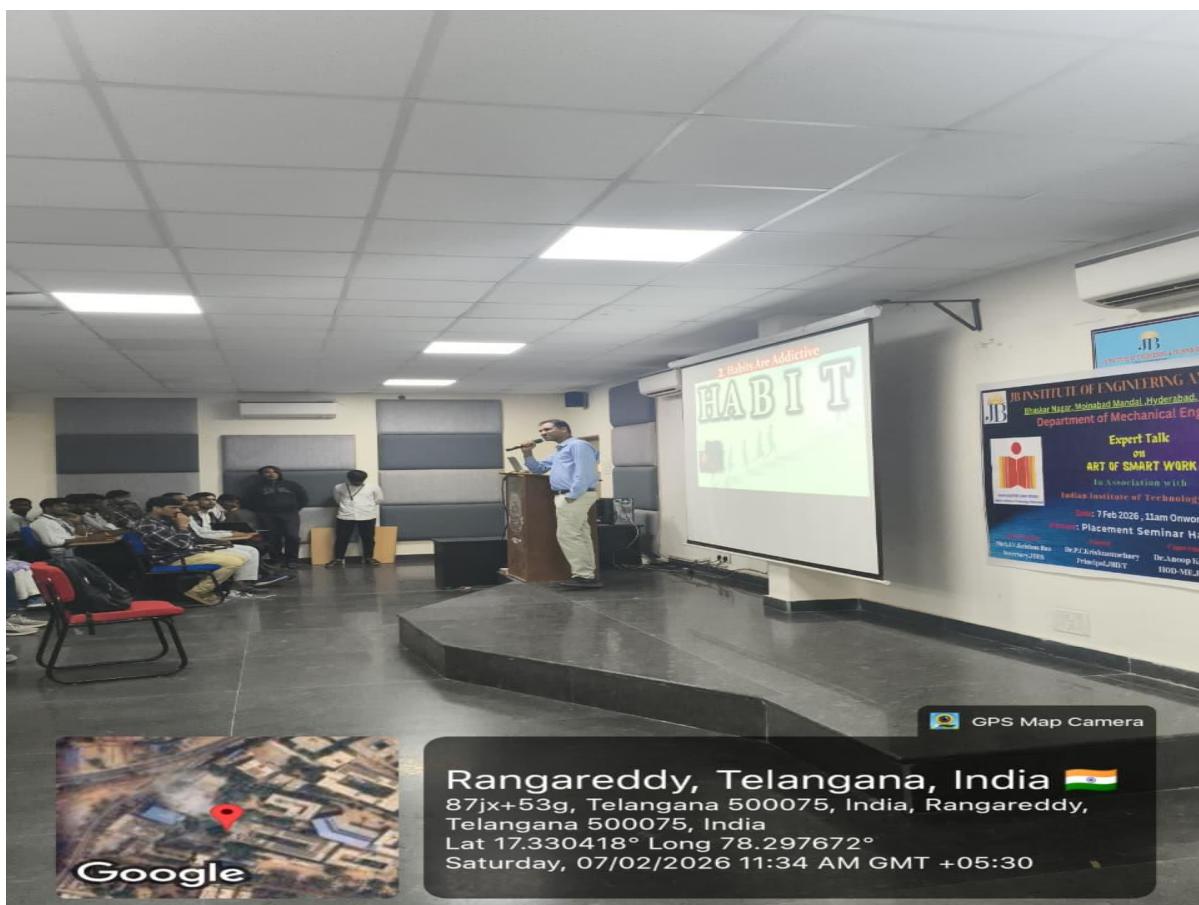

- Mr. A. Sai Kumar – Assistant Professor, ME
- Mr. J. Nagaraju – Assistant Professor, ME
- Mr. M.G. Mahesh – Assistant Professor, ME
- Mr. Shaik Ashraf – Assistant Professor, ME

## 11. Number of Participants: 89 Students

## 12. Event Photos:

Banner:

## **12. Event Objective:**

**The primary objective of this expert talk was:**

- To help students understand the concept of **Smart Work vs Hard Work**.
- To develop strategic thinking and efficient working habits among students.
- To provide insights into academic, research, and career excellence.
- To guide students on time management and productivity enhancement.
- To prepare students to meet competitive industry and research standards.
- To motivate students toward innovation and result-oriented learning.

## **13. Event Outline:**

The Department of Mechanical Engineering organized an Expert Talk on “Art of Smart Work” in association with IIT Hyderabad.

The session began with a welcome address by the department faculty, followed by the introduction of the resource person, Mr. Gajendranath Ch, Associate Professor, IIT Hyderabad. His academic contributions, research expertise, and professional achievements were highlighted.

The speaker delivered an engaging and thought-provoking session emphasizing how smart strategies, structured planning, and focused execution lead to greater success compared to mere hard work.

## **14. Key Topics Covered in the Session:**

### **A. Understanding Smart Work:**

**The speaker explained that smart work involves:**

- Prioritizing important tasks
- Setting clear and achievable goals
- Efficient time management
- Leveraging technology and tools
- Continuous learning and adaptability

He emphasized that smart work does not replace hard work but optimizes it.

### **B. Strategic Thinking & Planning:**

**Students were encouraged to:**

- Plan academic and career goals systematically
- Break complex tasks into manageable steps
- Use analytical thinking in problem-solving
- Focus on output and measurable results

He explained that successful professionals combine effort with intelligent execution.

### **C. Productivity & Time Management:**

#### **The session highlighted:**

- Avoiding distractions
- Practicing disciplined work habits
- Learning to prioritize high-impact tasks
- Using digital tools and structured schedules

The importance of working smarter in research, project work, competitive exams, and placements was emphasized.

### **D. Innovation and Research Orientation:**

As an Associate Professor from IIT Hyderabad, the resource person stressed:

- The importance of research mindset
- Interdisciplinary learning
- Innovation-driven problem solving
- Skill enhancement beyond syllabus

He motivated students to aim for higher studies, research internships, and industry collaborations.

### **15. Student Interaction Session:**

An interactive Q&A session followed the lecture where students actively participated.

Students raised queries regarding:

- Smart preparation strategies for placements
- Higher studies and research opportunities
- Balancing academics and skill development
- Career guidance in core mechanical fields
- Productivity techniques for competitive exams

The speaker provided practical guidance and real-life examples from academic and research environments.

### **16. Outcome of the Expert Talk:**

The session was highly inspiring and informative. The key outcomes include:

- Improved understanding of smart working strategies
- Increased awareness about structured goal setting
- Enhanced motivation toward research and innovation
- Better clarity on career planning
- Strengthened industry–institute collaboration with IIT Hyderabad
- Development of a strategic mindset among students

## **17. Conclusion:**

The Department of Mechanical Engineering, JBIET, successfully organized the Expert Talk on “Art of Smart Work” on 7th February 2026 in association with IIT Hyderabad. The session delivered by Mr. Gajendranath Ch, Associate Professor, IIT Hyderabad, provided valuable insights into productivity, strategic planning, and intelligent execution. The lecture motivated students to adopt smart working principles to achieve academic excellence and professional success. Overall, the event was insightful, interactive, and impactful, empowering students to become efficient, confident, and goal-oriented professionals.
