GUEST LECTURE**

“Report on Guest Lecture Delivered by ACE Engineering Academy”

Report Prepared By:

Ms. G. Tanya Psalms

Assistant Professor

Mechanical Engineering

Date: 20-01-2026

Place: Hyderabad

J. B. Institute of Engineering & Technology (UGC Autonomous)

Accredited by NBA & NAAC

Approved by AICTE & Affiliated to JNTUH

Yenkapally (V), Moinabad (M), R.R. District, Hyderabad – 500 075

Ph.: 08413-235127, 235053 | Fax: 08413-235753

Visiting Organization:

ACE Engineering Academy

Objective of the Guest Lecture:

The guest lecture was organized with the objective of providing students with exposure to competitive examinations, career guidance, and higher education opportunities in the field of engineering. The session aimed to bridge the gap between academic learning and competitive exam preparation, motivating students towards structured career planning.

About ACE Engineering Academy:

ACE Engineering Academy is one of India's reputed training institutes for competitive examinations such as GATE, ESE (IES), PSU recruitments, and other engineering services. The academy is well known for its experienced faculty, result-oriented teaching methodology, and comprehensive study material across various engineering disciplines.

Details of the Lecture:

Representatives from ACE Engineering Academy delivered an informative and interactive lecture to the undergraduate students of J. B. Institute of Engineering & Technology. The session covered:

- Importance of competitive examinations like GATE and ESE
- Career opportunities in PSUs, research organizations, and higher studies
- Preparation strategies and study planning
- Role of conceptual clarity and consistent practice
- Guidance on choosing the right time and approach for exam preparation

Highlights of the Session:

- Clear explanation of career pathways after engineering
- Practical tips for exam-oriented preparation alongside academics
- Insights into syllabus coverage, exam patterns, and scoring techniques
- Interaction with students through questions and discussions

Student Participation and Response:

Students actively participated in the session and showed keen interest in understanding competitive exam preparation and career prospects. The interaction helped students clarify doubts related to exam eligibility, preparation timelines, and future opportunities.

Outcome of the Guest Lecture:

The guest lecture proved to be highly beneficial and motivational for the students. It enhanced their awareness of competitive examinations and encouraged them to plan their careers more strategically. The session also strengthened industry-academia interaction.

Conclusion:

The guest lecture by ACE Engineering Academy was a valuable academic and career-oriented initiative by J. B. Institute of Engineering & Technology. Such sessions play a crucial role in guiding students towards informed career decisions and preparing them for future professional challenges.
