The banner features the J.B. Institute logo on the left, a portrait of the speaker H.G. Adhi Govinda Das, and logos for the College Student Council and MESA club. The text is arranged in a clear, hierarchical manner on a dark blue background.

## **11. Event Objective:**

The main objectives of this motivational lecture were:

- To help students understand the importance of moral values in life
- To guide students in discovering their true potential and purpose
- To promote self-awareness and personal development
- To inspire students to lead a disciplined and meaningful life
- To encourage positive thinking and ethical decision-making
- To build confidence and clarity in career and personal growth

## **12. Event Outline:**

The Department of Mechanical Engineering, in association with the MESA Club, organized a Motivational Expert Lecture on “Moral & Discover Yourself” on 25th February 2026 at the CAD/CAM Lab.

The session began with a welcome address by the faculty, followed by the introduction of the resource person, H.G. Adhi Govinda Das. His background, spiritual insights, and motivational contributions were briefly highlighted.

The speaker delivered an inspiring session focusing on self-discovery, moral values, and inner growth. He emphasized that understanding oneself is the first step toward achieving success and happiness in life.

## **13. Key Topics Covered in the Session:**

### **1. Importance of Moral Values:**

- Living a life based on ethics and principles
- Developing honesty, discipline, and integrity
- Importance of values in professional and personal life

### **2. Self-Discovery:**

- Understanding one's strengths and weaknesses
- Identifying life goals and purpose
- Building self-awareness and confidence

### **3. Mindset and Personal Growth:**

- Power of positive thinking
- Overcoming fear, stress, and distractions
- Developing focus and clarity

#### **4. Spiritual and Practical Balance:**

- Maintaining inner peace in a competitive world
- Balancing career ambitions with personal values
- Importance of mental well-being

#### **14. Student Interaction Session:**

An interactive session was conducted where students actively participated and asked questions regarding:

- How to stay motivated consistently
- Handling failures and setbacks
- Balancing academics and personal life
- Career clarity and decision-making
- Building confidence and discipline

The speaker addressed all queries with practical examples and real-life insights.

#### **15. Outcome of the Expert Lecture:**

The lecture was highly impactful and inspiring. The outcomes include:

- Increased awareness of moral values and ethics
- Improved self-confidence and clarity among students
- Motivation to focus on personal and professional growth
- Better understanding of self-discipline and goal setting
- Encouragement towards positive lifestyle and thinking

#### **16. Conclusion:**

The Department of Mechanical Engineering, JBIET, successfully organized the Motivational Expert Lecture on “Moral & Discover Yourself” on 25th February 2026. The session by H.G. Adhi Govinda Das provided valuable insights into self-awareness, moral values, and personal growth. It inspired students to reflect on their inner strengths and work towards becoming responsible and successful individuals. Overall, the event was enlightening, interactive, and highly beneficial for students’ overall development.
