Title: 10-Day Certification Workshop on Machine Learning Development & AI Foundations

We are pleased to inform all students and faculty members that a **10-Day Certification Workshop on Machine Learning Development and AI Foundations** is being organized by Hexart.in (a CSR initiative sponsored by Hexagon and implemented by Li2 Technologies) in association with JB Institute of Engineering & Technology.

The objective of this program is to introduce students to the fundamentals of Machine Learning and Artificial Intelligence through practical demonstrations, hands-on lab sessions, and practical project-building scenarios. Upon completion, online evaluations will be conducted on each day through Hexagon. A total of 100 top-performing students across all engineering branches will be selected for an exclusive Industry-Based Project Development Internship till 31st October 2026 at JBIIAI.

Event Details:

- **Dates:** 28th July 2026 to 08th August 2026 (10 Working Days)
- **Time:** 09:30 AM – 12:30 PM
- **Mode:** Offline (Hands-on Lab)
- **Venue:** JBIIAI Computer Labs

Programme Coordinators:

- **Patron:**
 - **Shri J.V. Krishna Rao** – Secretary, JB Education Society
- **Chief Patron:**
 - **Prof. Chintakindi Sanjay** – Director JBGEI
 - **Dr. P.C. Krishnamachary** – Principal JBIET

**STRIVE FOR EXCELLENCE**

Resource Persons Profile

Mr. Owais Hussain

Data Scientist & Community Center Head – Hexart.in (Hexagon / Li2 Technologies)

Mr. Owais Hussain is a Data Scientist and technical leader heading community initiatives at Hexart.in, an educational CSR movement backed by Hexagon and executed via Li2 Technologies. He specializes in Artificial Intelligence, Machine Learning, Data Analytics, and Robotics Application Systems.

Key Areas of Expertise:

- Machine Learning Algorithm Design & Supervised/Unsupervised Learning
- Deep Learning & Neural Network Architectures
- Applied AI in Robotics and Industrial Automation
- Student Incubation, Mentorship & CSR-Driven Technical Capacity Building

Event Report: “10-Day Certification Workshop on Machine Learning Development and AI Foundations”

Event Title: 10-Day Certification Workshop on Machine Learning Development and AI Foundations

Dates: 28th July 2026 to 08th August 2026

Venue: JBIIAI Computer Labs.

Introduction & Objectives:

The Department of Computer Science & Engineering at JBIET organized a 10-day practical certification workshop in collaboration with Hexart.in (Hexagon CSR initiative). The primary objective was to bridge the gap between academic curriculum and industrial requirements by exposing students to real-world AI applications, algorithm design, programming logic, and AI integration into robotics.

Execution & Highlights:

- Covered 10 structured days of learning across various departments including CSE, AIML, IT, ECE, EEE, and Mechanical Engineering.
- Hands-on laboratory sessions using 60 to 120 dedicated high-performance computing setups.
- Daily online evaluations administered directly via the Hexagon learning portal.
- Selection of top 100 participants for the extended Hexart.in Innovation Cohort Internship Program up to October 31, 2026.

Outcomes:

Participants gained hands-on experience in machine learning pipelines, dataset handling, evaluation metrics, and real-world deployment. Shortlisted candidates earned a direct opportunity for industry product development.
