

## REPORT ON SWACHHATA HI SEVA PROGRAM BY JBIET NSS STUDENTS AT AMDAPUR VILLAGE

**DATE: 1<sup>ST</sup> OCTOBER 2023.**

**LOCATION :- AMDAPUR VILLAGE, MOINABAD.**

**TOTAL PARTICIPANTS :- 35**

**Introduction:** On October 1, 2023, the National Service Scheme (NSS) students from J.B. Institute of Engineering and Technology (JBIET) undertook the "Swachhata Hi Seva" (Cleanliness is Service) program at Amdapur Village. This community initiative aimed to promote cleanliness, hygiene, and environmental awareness among the villagers.

## Program Highlights:

1. **Cleanliness Drive:** The day began with an extensive cleanliness drive throughout Amdapur Village. NSS students actively participated in cleaning streets, public spaces, and common areas, promoting the importance of a clean environment.

2. **Awareness Campaigns:** Concurrent with the cleanliness drive, NSS students conducted awareness campaigns to educate the villagers about the significance of cleanliness and sanitation. Informational pamphlets were distributed, and interactive sessions were held to encourage community participation.
3. **Waste Segregation Workshops:** Workshops on waste segregation were organized to impart practical knowledge on separating different types of waste. NSS students demonstrated effective waste management techniques, emphasizing the importance of sustainable practices.
4. **Tree Plantation Drive:** As part of the environmental aspect of the program, NSS students organized a tree plantation drive. Saplings were planted with the active involvement of villagers, fostering a sense of environmental responsibility.
5. **Community Engagement Activities:** NSS students engaged with the community through interactive games and cultural performances. These activities not only added a festive element to the program but also strengthened the bond between the students and the villagers.
6. **Health and Hygiene Camp:** A health and hygiene camp was set up to provide basic medical check-ups and distribute hygiene kits to the villagers. This comprehensive approach addressed both cleanliness and the well-being of the community.
7. **Feedback and Evaluation Session:** The program concluded with a feedback and evaluation session, where NSS students and villagers shared their experiences. This session facilitated continuous improvement and provided insights for future initiatives.
