

REPORT ON SAC MEETING

Today, on Saturday was held a meeting in SAC(Student Activity Centre) with the 2022-2026 batch(2nd years) for the second time. The meeting has been organized in-order to introduce the new SAC team members that have been recruited in this academic year. The main aim of this program is to be inform about the rules and regulations of being a SAC member and the upcoming SAC events.

The meeting has been started with the introduction on SAC and its social media platforms. Firstly, the SAC media is promoted so that there is a little more development for SAC club and many more students could know about it. The SAC was promoted successfully and a lot more students were able to know it. We've also asked the members whether any developments are required in the college from SAC and the answer was only dance stage. So, we've discussed to put a classical dance club but only after the audition. Then the answer was nothing more to develop in the college from SAC.

Then the meeting continued with the awareness of the rules of SAC. It is also informed that every SAC member should give active participation and be attending every event. The rules and regulations were announced and let everyone know it that they should be following it strictly for being in the SAC.

In the meeting, we also discussed about the events. We have discussed about the events that are to be performed in the upcoming days and the members of SAC were informed about those events and about the participations of the members in those events.

The work has been divided among the members inorder to organize the events properly and successfully. As the SAC members are talented with their works, the work was easily assigned as per their talent.

Then the department wise leads has been assigned to coordinate with the SAC member. Every branch having one lead to coordinate between the SAC and their members of their respective branches.

This is how the 9th December,2023 session has been ended. Hence the aim of this meeting was successfully implemented and made this session end properly,with support of K.TejaRam SAC President.
