

REPORT ON ENGINEER'S DAY (15TH SEPTEMBER 2023)

The J.B Institute of Engineering and Technology hosted an Engineer's day event on 15th September, 2023, as a tribute to the esteemed Indian engineer, Dr. Mokshagundam Visvesvaraya.

This event served as a platform to acknowledge and appreciate the tireless efforts of engineers and their valuable contributions towards the progress and development of our nation. Following the event, an online quiz and debate competition were organized to further engage participants.

The quiz consisted of 30 thought-provoking questions centered around the life and achievements of Dr. Mokshagundam Visvesvaraya, as well as the remarkable creations brought forth by engineers. The debate competition, held at MNR Auditorium, had the following topics- Graduate in India or abroad and start up fails, witnessed enthusiastic participation from students, ensuring a fair and enriching experience for all involved. And the winners were awarded certificates and prizes.

The Engineer's Day Event received overwhelming support and appreciation from Dr. P.C. Krishnamachary Principal-JBIET, SAC Coordinator B. Kishore Kumar, SAC President K. Teja Ram, faculty members and students at the J.B. Institute of Engineering and Technology. The primary objective of this conference was to pay homage and commemorate the valuable contributions made by engineers to the society.

Furthermore, the organization of the online quiz and debate competitions successfully raised awareness and recognition not only for the remarkable achievements of Dr. Mokshagundam Visvesvaraya but also for the entire community of Indian engineers.
