

REPORT ON PARTICIPATION IN EKALAVYA 2026 – INTERCOLLEGIATE SPORTS FESTIVAL

INTRODUCTION

The Men's Kabaddi Team of **J.B. Institute of Engineering and Technology (JBIET)** actively participated in the intercollegiate sports festival, **EKALAVYA 2026**. The team was formally registered with the organizers, and all necessary student details and documentation were submitted in advance. The players represented the institution under the supervision and guidance of the designated faculty coordinator, **Mr. N. Vignesh, Physical Director**, ensuring disciplined participation and proper coordination throughout the event.

The annual intercollegiate sports festival, EKALAVYA 2026, was organized by Mahatma Gandhi Institute of Technology from 12th February 2026 to 14th February 2026. The three-day sporting event witnessed enthusiastic participation from various engineering colleges and featured a diverse range of indoor and outdoor competitions. The festival aimed to foster sportsmanship, teamwork, discipline, and healthy interaction among students from different institutions.

PARTICIPATION DETAILS

The **Men's Kabaddi team** of **JBIET** consisted of talented and dedicated players from various branches and academic years. The team members are listed below:

SL.NO	NAME	ROLL NO.	BRANCH & YEAR
1.	G. Uday Kiran	24675A0111	CE – 3rd Year
2.	G. Madhubalaji	24675A0110	CE – 3rd Year
3.	P. Sai Chandu	24675A0109	CE – 3rd Year
4.	K. Abilash	23671A05D1	CSE – 3rd Year
5.	R. Shiva	23671A0597	CSE – 3rd Year
6.	M. Sai Kiran	22671A0530	CSE – 4th Year
7.	A. Linga Swamy	23671A0405	ECE – 3rd Year
8.	V. Santhosh	24675A0311	MECH – 3rd Year
9.	L. Ashok	24675A0309	MECH – 3rd Year
10.	B. Mahesh	25675A0309	MECH – 2nd Year

The team underwent regular practice sessions prior to the tournament under the guidance of the Physical Director. Emphasis was given to team coordination, defensive strategies, raiding techniques, stamina building, and match simulations to ensure strong performance during the competition.

TOURNAMENT PROCEEDINGS

The Kabaddi matches were conducted in a league-cum-knockout format. Teams from various reputed engineering colleges participated, making the competition highly challenging and competitive.

The JBIET Men's Kabaddi team displayed exceptional performance throughout the tournament. The players demonstrated excellent coordination, strategic planning, and physical endurance. Their raiding techniques were precise, and the defensive unit maintained strong formations, effectively restricting the opponent teams from scoring.

In the preliminary rounds, the team secured convincing victories with consistent scoring margins. The semi-final match was particularly intense, where the JBIET team showcased remarkable resilience and tactical gameplay to secure a spot in the finals.

The final match was highly competitive and witnessed enthusiastic support from the audience. The team maintained composure under pressure and executed well-planned raids and defensive tackles. Their collective effort, discipline, and sportsmanship ultimately led them to victory.

TOURNAMENT HIGHLIGHTS

- The JBIET Men's Kabaddi Team emerged as **Winners** of the Kabaddi event at EKALAVYA 2026.
- The team maintained an unbeaten record throughout the tournament.
- Outstanding coordination between raiders and defenders was a key strength.
- The team displayed exemplary sportsmanship and discipline.
- The victory brought pride and recognition to JBIET at the intercollegiate level.

CONCLUSION

The participation and remarkable achievement of the Men's Kabaddi Team of **J.B. Institute of Engineering and Technology** at EKALAVYA 2026 is a matter of great pride for the institution. Winning the championship reflects the dedication, hard work, and commitment of the players as well as the effective guidance provided by the Physical Director.

Such achievements not only enhance the reputation of the institution but also motivate other students to actively participate in sports and extracurricular activities. The success of the Kabaddi team reinforces JBIET's commitment to holistic development, encouraging excellence in both academics and sports.

The college congratulates all the team members and the Physical Director for their outstanding accomplishment and wishes them continued success in future tournaments.
