

# REPORT ON ENGINEER'S DAY ONLINE QUIZ COMPETITION

## 15<sup>th</sup> SEPTEMBER 2022

On September 15th, 2022, J.B. Institute of Engineering and Technology hosted an Engineer's Day Online Quiz Competition. The competition was organized to celebrate the contributions of engineers and to pay homage to India's first civil engineer, Dr. M. Visvesvaraya.

The competition was open to participants from J.B. Institute of Engineering and Technology and aimed to test their knowledge of the engineering profession and the achievements of Dr. M. Visvesvaraya. The questions covered a wide range of topics related to engineers and engineering, including the history, theories, and practices of the field, as well as the life and work of Dr. M. Visvesvaraya.

The Engineer's Day Online Quiz Competition provided a platform for participants to showcase their knowledge and to learn more about the engineering profession and its pioneers. By bringing together students, faculty, and staff from J.B. Institute of Engineering and Technology, the competition helped to build a sense of community and to foster a love for engineering.

The competition was well received by participants, who praised the organization and content of the event. The feedback received indicates that the competition was a success and will likely be held again in the future.

In conclusion, the Engineer's Day Online Quiz Competition was a great opportunity to celebrate the contributions of engineers and to honor Dr. M. Visvesvaraya. The competition was well received by participants and helped to foster a love for engineering and a sense of community within J.B. Institute of Engineering and Technology.
