

# **REPORT ON REPUBLIC DAY ONLINE QUIZ COMPETITION**

## **26<sup>th</sup> JANUARY 2023**

On 26th January 2023, J.B.Institute of Engineering and Technology conducted an online quiz competition to commemorate India's Republic Day. The quiz competition was focused on questions related to India's Republic Day and its significance in the country's history.

A total of 200 students participated in the competition. The competition was open to all students who were interested in learning more about India's Republic Day. The questions were designed to test the participants' knowledge about the history, significance, and cultural aspects of the Republic Day.

The competition consisted of multiple-choice questions, true or false questions, and fill in the blank questions. The questions covered a wide range of topics, including the history of India's independence, the Constitution of India, the role of the President and Prime Minister in the Republic Day celebration, and the significance of the parade.

The participants were given 30 minutes to complete the quiz and the results were announced on the same day. The top three participants were awarded with certificates.

The online quiz competition was a great success and received positive feedback from the participants. The students appreciated the opportunity to learn more about India's Republic Day and the competition was a great way to commemorate this important day in the country's history.

Overall, the quiz competition was a great way to educate students about India's Republic Day and the significance of this day in the country's history. The competition was well-organized and the questions were challenging, yet accessible to all participants.
