

REPORT ON INFOQUEST'22 AND SPOORTHY 2K22 27TH MAY 2022 AND 28TH MAY 2022

J. B. Institute of Engineering and Technology, 27th may 2022 and 28th may 2022:

J.B. Institute of Engineering and Technology has witnessed the technical fest- INFOQUEST'22 and Cultural fest- SPOORTHY 2K22 on 27th may 2022 and 28th may 2022 organised by Student Activity Centre-JBIET sponsored by Raghava Constructions and OPPO mobiles and with about three thousand students as a part of it.

College fest provides a platform for students to showcase one's talents and a break from academics which is important for one's holistic development of the personality. College fest is the event that students eagerly wait for. Apart from the fun, frolic and platform that it offers to students to exhibit their talents, the fest is also an acid test of some student's managerial skills.

It has started with the banner launch of INFOQUEST'22 and SPOORTHY 2K22 with a flash mob on 24th may 2022 at basketball court. The flash mob practise has started one week prior during the summer holidays with 40 participants. The participants were selected by student coordinators after auditioning all the

interested candidates. The student coordinators for the flash mob took the responsibility of the choreography.

All the students and faculty gathered at the basketball court by 2:30 pm. Performances lasted for about twenty minutes from 3:00 pm. It was immediately followed by the official banner launch of INFOQUEST'22 and SPOORTHY 2K22 in between the cheers of all the students in college.

The organising committee during the practice took the responsibility to find the sponsors and all the arrangements to be made during the fest. The committee had split into teams for various works which includes searching for sponsors, art work and technical support. The team which was searching for sponsors had split into sub divisions and contacted various organisations of which the best sponsors were chosen i.e., Raghava constructions and OPPO mobiles.

The art work team has taken the responsibility of campus decor and other non-technical event's management. All the technical work like maintaining the records of all the expenses, seeking necessary permissions, planning the event were taken care by technical team. The organising committee under the guidance of L. Krishna, in charge (SAC-JBIET) has put all their efforts to make the event a success.

On the day of fest, the campus was decorated attractively with various colourful lanterns and papers which enhanced the atmosphere and created great ambience in the college. The entrance of the college had a huge air balloon of OPPO and also the stalls arranged by OPPO were eye catching. There were various food stalls selling different food to glut the hunger of all the students and guests. The whole campus was filled with happy smiles and ecstatic cheers of students and guests

The day's events started with the students welcoming the guests Shri UVSN Murthy, Director of Coordination, J B Group of Educational Institutions, Shri Rajasekar Reddy, CA of J B Group of Educational Institutions, Dr. P C Krishnamachary, Principal of J B Institute of Engineering and Technology, Dr. A Srinivasa Rao, Principal, Bhaskar Pharmacy College, Dr. C Udaya Kiran, Principal of Bhaskar Engineering College, Dr. M Benjamin, Principal of Bhaskar Law College and Dr. J Kartigeyan, Dean (Student affairs). The event was inaugurated by the dignitaries by lightening of lamp followed by a devotional prayer song by Amulya and A. Bhavani

Later, the inter college cultural competition has begun where participants from different colleges namely Chaitanya Bharati Institute of Technology, Mahatma Gandhi Institute of Technology, Vidya Jyothi Institute of Technology, Megha college of Engineering, Malla Reddy Engineering college, JBR Pharmacy college, JBR engineering college and Bhasker Pharmacy College along with our college has participated in Dance, stand-up comedy, beat box and Singing competition.

There were about a hundred participants with 43 performances in different categories as Dance, beat box, Stand-up comedy and singing. All the participants were extremely talented and gave each other a tough competition. It was not easy for the judges to decide the winners.

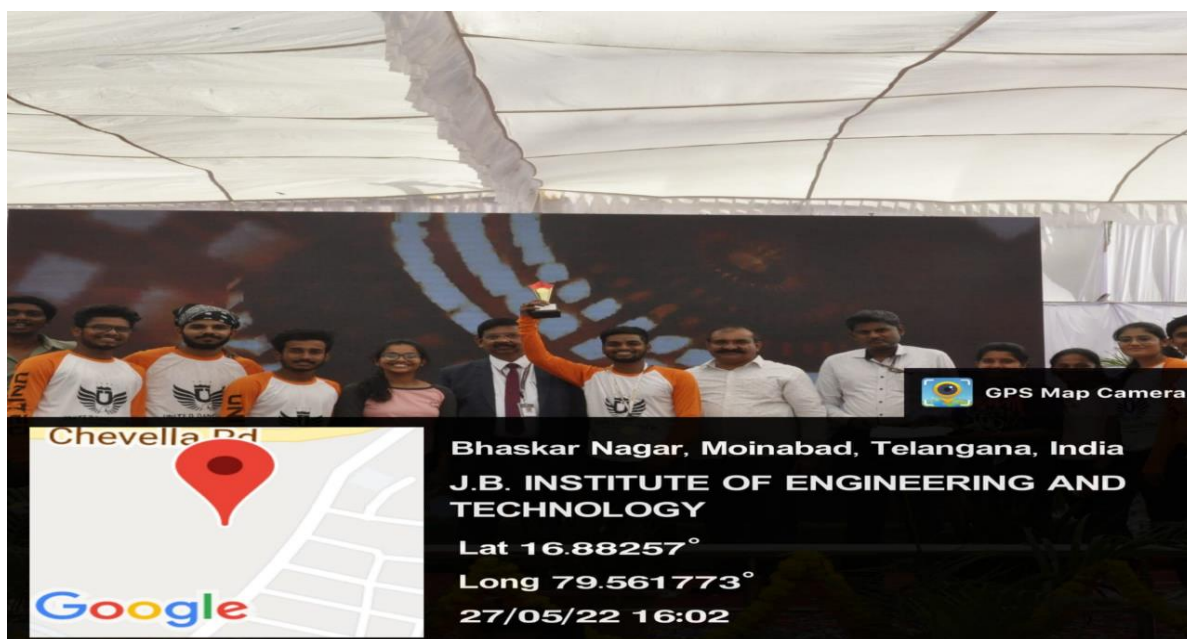

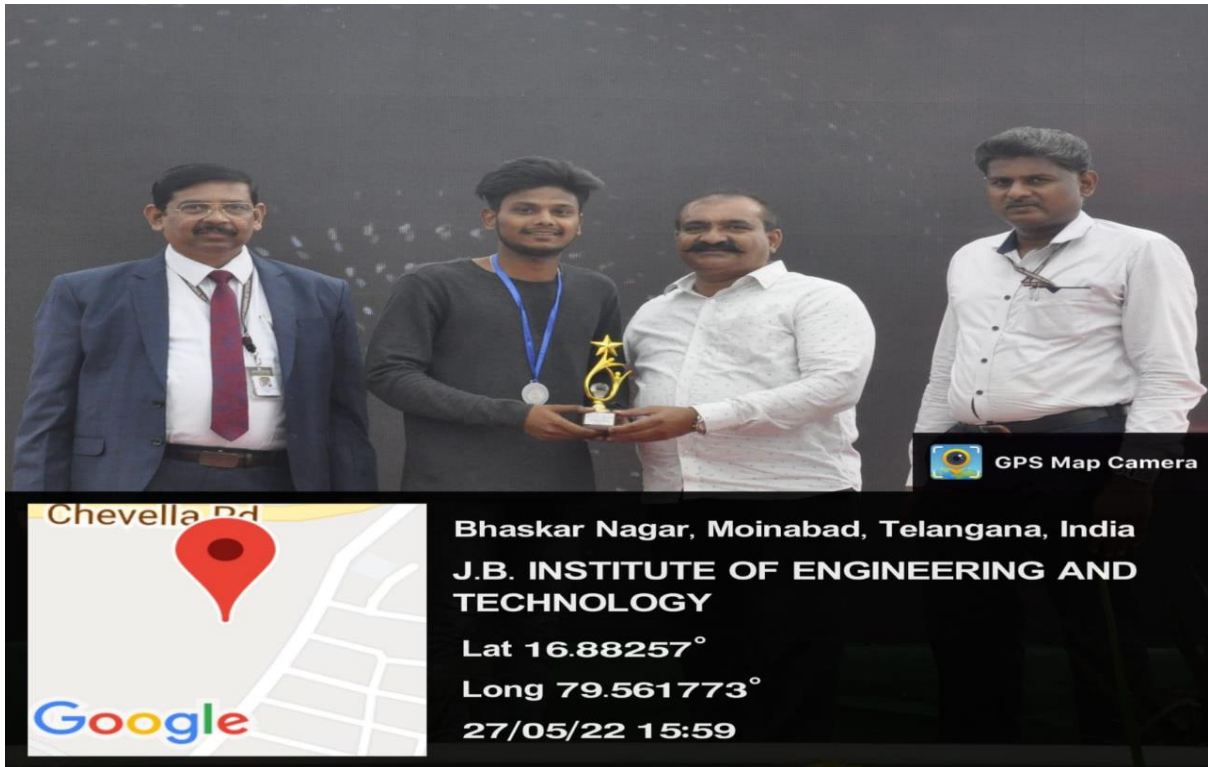

In the category of Dance, United Dance Crew from Chaitanya Bharathi Institute of Technology has gained the first position followed by Akhil Polisetty from JBIET and Raghu master group from JBIET in the second and third positions respectively.

Pramadwara J from MREC has occupied the first position in singing followed by Tarun from JBIET and Adula Bhavani from JBIET in second and third positions respectively. Madhuri Chauhan from JBIT stood first with her outstanding Beat box performance in her category. Shabad Susheel from JBIET, with his hilarious stand-up comedy, won the trophy in his category.

Simultaneously, Technical events by various branches and non-technical events by Student Activity Centre were also organised. Technical events were organised by their respective branches.

Breakers of Bugs organised by Computer Science department under code hub. In this event the participants were given a code to debug. The students with good coding and problem-solving skills were given a great opportunity to showcase their skill and win the event.

Civil Engineering department organised an expo of various construction projects in their respective block. The expo has provided the students with an experience in planning, preparing and building various kinds of construction projects. It provided an opportunity to share the knowledge that they gained through academics and projects.

Electronics and Communications Engineering department organised Model Presentation in their block. Different kinds of models designed by students as their projects were presented. It was an opportunity for students to express their ideas verbally and visually to other students and also guests.

Electronics and Computers department organised an innovative event called as Blind coding. This event put the coding and typing skills of a participant to the test. The participants need to solve the given coding challenge while they are blind folded. Though it was a tough task, there were a good number of participants who were able to do it.

Electrical and Electronics Engineering department organised Electrical expo. There were distinct electrical projects in the expo which was very informative. The expo cultivated new ideas and brilliant visual experience into the minds of students and guests who visited it.

Department of Information Technology organised an Ethical hacking workshop. The workshop aimed to give the students a basic knowledge of hacking and how to protect your system against security threats. The workshop was enlightening about present cyber security threats and how to prevent them.

Department of Mechanical Engineering has organised project expo in their respective branch. Various projects were presented by the students which let the visitors take an advantage to learn some tricky physics related mechanical engineering. The expo was discerning to the students and was fully profound of information.

Department of Mining Engineering has organised Mine crepus in Mining seminar hall. The event had multiple sub events like Power Point Presentation, Quiz, Model Presentation and Photo gallery. The event was an eye feast to the guests with various presentations and photos.

Non-technical events like Human ludo, Basketball challenge, Treasure hunt, Thug of war, Dumb charades and Hanging challenge were conducted by Student Activity Centre simultaneously which attracted many students to take part.

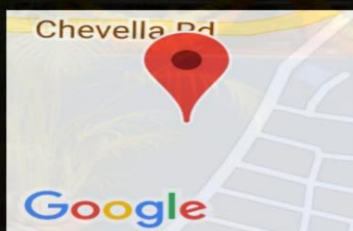

In the evening the winners were declared and received prizes from the hands of the dignitaries. The first day was closed after a vote of thanks to all the guests, dignitaries, participants, staff and students.

Second day of the fest was celebrated as the Traditional day to enable the young generation to revive love and respect for their culture and customs. On this day, all the students and faculty has come in traditional costumes. The whole campus seemed to be charged with ethnic atmosphere with students in their dazzling,

colourful traditional apparels. In the afternoon, the students were overjoyed to join the dance workshop by Deepak Maurya and danced to the rhythm.
