National Mathematics Day – 2025

JB Institute of Engineering and Technology (JBIEET), Hyderabad, celebrated National Mathematics Day on 22 December 2025 with great enthusiasm and academic spirit. The event was organized by the Department of Mathematics in the MNR Auditorium from 9:45 AM to 11:30 AM, aiming to highlight the importance of mathematics in engineering and real-life applications.

The programme commenced with an invocation and opening address, followed by the welcoming of dignitaries and the traditional lighting of the lamp. The auspicious beginning set a positive tone for the academic deliberations of the day. A Pooja Shloka was rendered by Mrs. D. Ashwini, invoking blessings for the successful conduct of the event.

A SPECIAL GUEST LECTURE
Organised by
Department of Mathematics

on the Occasion of
NATIONAL MATHEMATICS DAY

Guest Speaker
Prof. Naraparaju Kishore Kumar
Head & Assoc. Prof. Dept of Mathematics,
BITS, Hyderabad

22 December, 2025
9:45 AM - 11:30 AM
**MNR Auditorium,
JBIEET**

National Mathematics Day – 2025-Brochure

Dr. Reddappa, Head of the Department of Mathematics, delivered the introductory address, emphasizing the significance of National Mathematics Day and the contributions of mathematicians to science and technology. This was followed by addresses from Dr. B. V. Swarnalathamma, Dean – First Year, and Dr. I. Sudarsan Kumar, Dean – College Development, who highlighted the role of mathematics as a foundational discipline for engineering education.

Dr. P. C. Krishnamachary, Principal of JBIET, addressed the gathering and appreciated the Department of Mathematics for organizing such an intellectually enriching programme. Prof. Ch. Sanjay, Director – JB Educational Society, also addressed the audience and encouraged students to develop strong analytical and problem-solving skills through mathematics.

The Chief Guest for the occasion was Dr. Naraparaju Kishore Kumar, Associate Professor and Head of the Department of Mathematics, BITS Pilani – Hyderabad Campus. His profile was introduced by Mrs. D. Jyothi, followed by a felicitation ceremony to honor his academic contributions and presence at the event.

Dr. Naraparaju Kishore Kumar delivered an insightful guest lecture on “Linear Algebra and Its Applications,” specifically tailored for B.Tech students. In his lecture, he explained fundamental concepts of linear algebra such as vectors, matrices, eigenvalues, and eigenvectors, and demonstrated their applications in engineering fields including data science, machine learning, computer graphics, electrical circuits, and structural analysis. The lecture was highly engaging, informative, and interactive, enabling students to appreciate the relevance of mathematical concepts in modern technological advancements.

The session witnessed active participation from students, who showed keen interest by asking questions and engaging in discussions. The lecture successfully enhanced their conceptual understanding and motivated them to explore advanced applications of mathematics in their respective domains.

The programme concluded with a vote of thanks proposed by Mrs. Tasleem Sultana, expressing gratitude to the Chief Guest, dignitaries, faculty members, organizers, and students for their cooperation and participation. The event concluded on a successful note, fulfilling its objective of celebrating National Mathematics Day and fostering mathematical awareness among engineering students.
