Speaking on the occasion, Sri. J. V. Krishna Rao, Secretary, JBES and Vice-President JBRES, said that a seed sown by the Founder and Founder Chairman of JB Group, Sri. J. Bhaskar Rao Garu, has developed yielding fruits on his vision, commitment, perseverance and it requires a direction that it develops even better. They as the members of management are committed to take it to further heights. He also presented the thought process of the management for the future course of directions. He stated that they have identified three task of immediate priority- becoming a university as soon as possible, complete digitalization in all areas of administration, academics, finances, and faculty upgrade policy. JBIET is also working on short term growth plan of the coming 3 years for active implementation that is focused on Research, Entrepreneurship, Academics and Placements (REAP). The focus has to lay on these four areas with greater attention to reap the benefits for all the stake holders. Sri. J. V. Krishna Rao, emphasized on the fact that by 2025, the key word to the global economy will be Entrepreneurship. Therefore, JB Institute Inventors Association of India (JBIIAI) came into existence. He also stated a few plans for improving the overall ambience of the campus.

Smt. Prof. Ar. J. Gayatri, Joint Secretary, JBES, speaking on the occasion, spoke about the achievements of J.B.R Architecture College since its inception in 2012. She also said that the management is following competitive cooperation with the underlying principle 'Competition enriches education.'
