

JB INSTITUTE OF ENGINEERING AND TECHNOLOGY

AUTONOMOUS

(Accredited by NAAC(II-Cycle), Approved by AICTE & Permanently Affiliated to JNTUH)

NEWS LETTER

Volume 1, Issue 1 - December 2015

Designed By Nithish Kumar Mankala

Shri J V Krishna Rao
Secretary
JB Educational Society

Let me take this opportunity to wish all in the prestigious JB Group the very best for their future endeavours. We are all aware of the important role played by the private institutions in the field of education. Our college is one of the fore runners in providing innovative and quality education. We have obtained the autonomy status and used it to introduce path breaking practices in the curriculum and examination areas. We are striving to achieve deemed university status. For this, our aim is to bring multitalented and multifaceted managerial personal to serve the nation in the future. Our aim is to make education activity based, by giving more opportunities in, hands on experience to the students'. I am happy to say that large number of students are being selected by companies of great repute like Infosys, HCL, Syntel. I once again stress on our aim to become a premier techno managerial integrated campus along with becoming a deemed university. Let me conclude by once again wishing all the very best in your efforts to make JB Group a premier institution.

Dr. Niraj Upadhyaya
Principal, JBIET

On behalf of the J.B.I.E.T community, I take this opportunity to welcome all of you. I extend a particularly warm welcome to those attending J.B.I.E.T for the first time. It is a daunting experience to start at any new place. But, change is the only constant thing in this world. The old order paves way to the new. I am glad to hear that the new entrants are doing an excellent job of settling down. We must work together as a team to achieve our goals. Setting an example in the community both academically and ethically should be our motto. I am glad to know that many of you are accepted into branches of your choice. Though there were initial hiccups last year, I am proud to say that students succeeded with high percentage in placements. Let me take this opportunity to congratulate them. Hope this acts as an impetus to reach Greater heights. My vision of focusing on research and development based approach will surely help us to reach the pinnacle of success.

DATES

8th and 9th Sept. 2015

Industrial Visit to Doordarshan Kendra at Ramanthapur for the students from Department of ECE.

16th Sept. 2015

Prof. Anoop Kumar, Department of Mechanical Engineering, has been awarded with IIM NMD award "BINANI GOLD MEDAL" on the occasion of 53rd National Metallurgist Day Celebrations.

22nd and 23rd Aug. 2015

Department of EEE has been organized Faraday Memorial Two-Day National Level Workshop on Recent Advances on Power Electronic Drives and Power Systems.

1st Oct. 2015

One day Workshop on 'Recent Developments in Concrete Technology' for Civil Department.

30th Sept and 1st Oct 2015

2 Days National Conference on Skill India Initiative and Entrepreneurship for a Successful India on 30-09-2015 and 01-10-2015 conducted in EDP Cell.
