

JB INSTITUTE OF ENGINEERING AND TECHNOLOGY

AUTONOMOUS

(Accredited by NAAC(II-Cycle), Approved by AICTE & Permanently Affiliated to JNTUH)

NEWS LETTER

Volume 2, Issue 2 - June 2017

Designed By Mankala Nithish Kumar

Shri J V Krishna Rao
Secretary
JB Educational Society

Let me take this opportunity to wish all in the prestigious JB Group the very best for their future endeavours. We are all aware of the important role played by the private institutions in the field of education. Our college is one of the fore runners in providing innovative and quality education. We have obtained the autonomy status and used it to introduce path breaking practices in the curriculum and examination areas. We are striving to achieve deemed university status. For this, our aim is to bring multitalented and multifaceted managerial personal to serve the nation in the future. Our aim is to make education activity based, by giving more opportunities in, hands on experience to the students'. I am happy to say that large number of students are being selected by companies of great repute like Infosys, HCL, Syntel. I once again stress on our aim to become a premier techno managerial integrated campus along with becoming a deemed university. Let me conclude by once again wishing all the very best in your efforts to make JB Group a premier institution.

Dr. PVS Srinivas
Principal, JBIET

Let me take this opportunity in warmly congratulating the students who have successfully completed their Engineering degree this year. I want you to follow the successful footsteps of your predecessors. Though the task is daunting, all must go through the unknown path to succeed in life. It is not enough to have only ambition; one must have ethics and values in order to last long in their respective fields. I wish that the entire fresher's will put in their best efforts in order to bring laurels to their Alma Mater and their parents. Last but not the least; let me take this opportunity in advising the students that learning must never stop. To earn and learn must be your motto. It only needs right attitude and not opportunity. Let me once again take this opportunity to wish everyone the very best in life.

DATES

15th March 2017

Civil Department organized one-day seminar on "Sustainable Development in Civil Engineering".

16th to 18th March 2017

Infoquest - 2k17 organized by CSE, IT and MCA Departments.

1st to 3rd March 2017

ECM Department conducted by Sasi Kiran Dasari, Director Maze Software, HYD.

13th and 14th March 2017

National Level Technical Symposium Xploit'17.

1st to 6th May 2017

ECE Department conducted National Level Workshop on "MATLAB and its Applications".

21st Jan 2017

Mining Department organized guest lecture on "Mine Planning Softwares".

Civil Dept. organized one-day seminar

One-day seminar was organized on “Sustainable Development in Civil Engineering” by Civil Department on 15th March 2017 by (key Note speaker Prof. Sreenivas Sarma Professor, CBIT.

INFOQUEST 2016-17

INFOQUEST-2017, A National Level Technical Symposium which was held on 16th 17th and 18th March 2017 and was organized by CSE, IT & MCADepartments.

Workshop Conducted by ECM Department

Three Day workshop conducted by ECM dept. 1st – 3rd March 2017 at MNR Auditorium JBIET. Guest Lecture by Mr. Sasi Kiran Dasari (Director Maze Software, HYD and Seminar by Mr.ChaitanyaVaddi on “Life after B.tech” and Cultural Fest (Singing,Dancing,etc))

National Level Technical Symposium Xploit'17

Department of Mining Engineering conducted two days National Level Technical symposium Xploit'17 on 13th & 14th March 2017. Sri.A.J.Amarnath, CGM(Retd)-M/s SCCL attended as chief guest. Students from JNTU Manthani, Mallareddy college and Holimary institute of engineering & technology are participated along with JBIET students

Guest Lecture Organized by Mining Department

Mining Engineering Department organized a guest lecture on “Mine Planning Softwares” on 21/01/2017. Speaker is Mr.AmidPash from M/s EDS Technologies, Hyderabad All the 2nd, 3rd and 4th year mining students are participated.

Faculty Development Program

JB IET organized Faculty Development Program on Importance of Outcome Based Education in achieving excellency on 21st & 22nd April 2017. Prof. M.L.Sai Kumar, former Dean, IPE was the resource person for the program.

National Level Workshop

ECE department conducted National Level Workshop on the topic "MATLAB and Its Applications", MIA'17 FROM 1-5-2017 to 6-5-2017

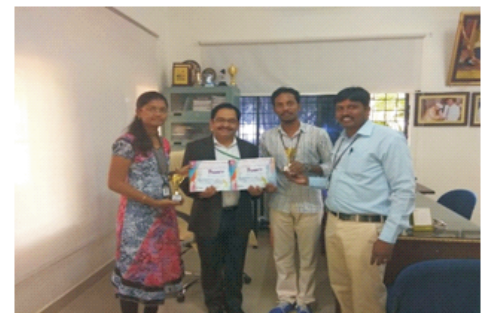

SPORT ACHIEVEMENTS

JB IET got Overall Champion Bhaskar Memorial Cup

Cricket Runners up at Global Engg. College

Runners Up in CHESS (M&W) @ VJIT
