**Shri J V Krishna Rao**  
Secretary  
JB Educational Society

Let me take this opportunity to wish all in the prestigious JB Group the very best for their future endeavours. We are all aware of the important role played by the private institutions in the field of education. Our college is one of the fore runners in providing innovative and quality education. We have obtained the autonomy status and used it to introduce path breaking practices in the curriculum and examination areas. We are striving to achieve deemed university status. For this, our aim is to bring multitalented and multifaceted managerial personal to serve the nation in the future. Our aim is to make education activity based, by giving more opportunities in, hands on experience to the students'. I am happy to say that large number of students are being selected by companies of great repute like Infosys, HCL, Syntel. I once again stress on our aim to become a premier techno managerial integrated campus along with becoming a deemed university. Let me conclude by once again wishing all the very best in your efforts to make JB Group a premier institution.

**Dr. Towheed Sultana**  
Principal, JBIET

I extend my heartily welcome to the fresher's on this auspicious orientation day. I further congratulate all the students and their parents for stupendous success in EAMCET exams and getting JBIET as the institution for the study of engineering course. You are extremely lucky to be part of 20 year long legacy of this institute, committed to educational excellence, energized by vision of its founder president J. Bhaskar Rao Garu. JBIET is an UGC autonomous institution which is further accredited by NAAC. It is a part of 100 acre lush green campus, which is not very far from the city. All the seven infrastructure, Laboratories Faculty members along strong Co-curricular and Extra-curricular activities. JBIET is an institution with good placement and track record of excellence GATE and Foreign University admissions. It is famous for its NGO works.
