NEWS LETTER

MHRD'S
INNOVATION CELL
(GOVERNMENT OF INDIA)

To be a centre of excellence in engineering and management education, research and application of knowledge to benefit society with blend of ethical values and global perception.

Mission

1. To provide world class engineering education, encourage research and development.
2. To evolve innovative applications of technology and develop entrepreneurship.
3. To mould the students into socially responsible and capable leaders.

Shri J V Krishna Rao Secretary

JB Educational Society

Let me take this opportunity to wish all in the prestigious JB Group the very best for their future endeavours. We are all aware of the important role played by the private institutions in the field of education. Our college is one of the fore runners in providing innovative and quality education. We have obtained the autonomy status and used it to introduce path breaking practices in the curriculum and examination areas. We are striving to achieve deemed university status. For this, our aim is to bring multitalented and multifaceted managerial personal to serve the nation in the future. Our aim is to make education activity based, by giving more opportunities in, hands on experience to the students'. I am happy to say that large number of students are being selected by companies of great repute like Infosys, HCL, Syntel. I once again stress on our aim to become a premier techno managerial integrated campus along with becoming a deemed university. Let me conclude by once again wishing all the very best in their efforts to make JB Group a premier institution.

Major General Prof Dr SS Dasaka ,SM,VSM (Retd),

Chief Executive Officer, JB Group of Educational Institutions

JB IET has been one of the best engineering colleges in the two states of Telangana and Andhra Pradesh. It has been striving hard to not only maintain its standards but also to continuously improving them, so as to benefit the students in particular and the society at large. The college boasts of well qualified faculty who have rich experience in academics, industry and research. They are backed up by experts from the industry. The curriculum is regularly revised to keep pace with the industry requirements, so that the students pass out as industry-ready graduates. The institute has excellent infrastructure, laboratories and workshops. The calm and quiet environment in the lush green campus, away from the hustle-bustle of the city, provides a tranquil environment, so conducive to quality Teaching-Learning.

We lay special attention on co-curricular and extra-curricular activities and also put the students through "Life Skills and Employability Skills Training" right from the first semester itself. The Group's JB Institute of Inventors Association of India (JBIIAI) provides intellectual support, logistics support and financial support, right from the concept or idea stage till the marketing stage. We hand-hold the students right through and ensure that they become Job-providers rather than Job-Seekers.

It will be the sincere endeavour of JB IET to turn you into knowledgeable graduates / post graduates by guiding you and moving along with you during your studies at the institute.

Dr. Niraj Upadhyaya

Principal, JB IET

On behalf of the J.B.I.E.T community, I take this opportunity to welcome all of you. I extend a particularly warm welcome to those attending J.B.I.E.T for the first time. It is a daunting experience to start at any new place. But, change is the only constant thing in this world. The old order paves way to the new. I am glad to hear that the new entrants are doing an excellent job of settling down. We must work together as a team to achieve our goals. Setting an example in the community both academically and ethically should be our motto. I am glad to know that many of you are accepted into branches of your choice. Though there were initial hiccups last year, I am proud to say that students succeeded with high percentage in placements. Let me take this opportunity to congratulate them. Hope this acts as an impetus to reach Greater heights. My vision of focusing on research and development based approach will surely help us to reach the pinnacle of success.

JBLET ACHIEVEMENTS

JBLET received 69th rank in TIMES ENGINEERING RANKING SURVEY in All Over India & 59th Rank among 100 Private Engineering Institute in India.

JBLET received 9th rank in Telangana Private Engineering Institutions in Research Category and 10th Rank in top 25 Engineering Institutions in Telangana. NKING SURVEY in All Over India & 59th Rank among 100 Private Engineering Institute in India.

Our JBLET Alumni got 244 rank in IAS Civil service exam. Pinnani Sandeep Kumar -10671A0268

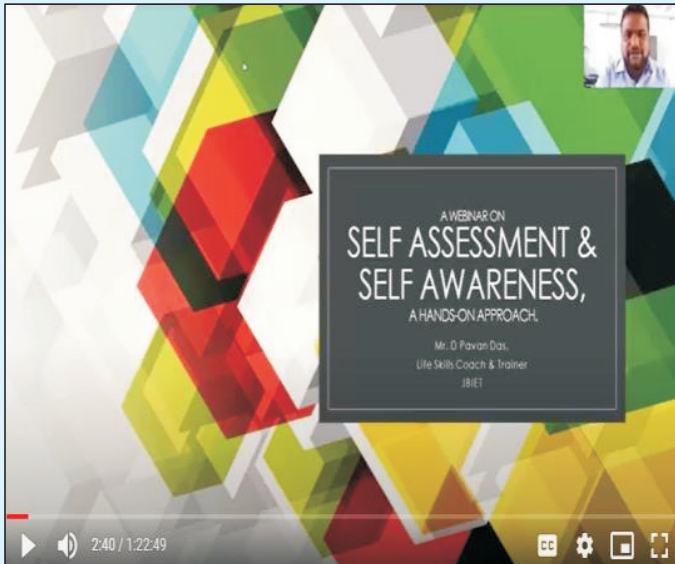

Proud moment for JBLET on excellent achievement of our Alumnus Mr. Sandeep Bhaga for securing 244 All India Rank in UPSC CSE 2019.

RECOGNISED SAP (SWACHHTA ACTION PLAN) INSTITUTION Ministry of Human Resource Development Government of India.

Institute has secured the position of Band-B(26-50) in Atal Ranking of Institutions and Innovation Achievements (ARIIA)-2020.

JBLET is recognized as Best Engineering College in Career 360

JBLET have been awarded 3.5 Star rating by Institute Innovation Council (IIC), MoE Innovation Cell

Department of Electronics and Computer Engineering organized Webinar on “Self-Assessment and Self-Learning, a hands-on approach” on 1st July 2020 and Resource person: Mr. D Pavan Das, Life Skills Coach & Trainer

CSE & IT Departments organized 3 Days FDP on “Machine Learning with Deployment “in collaboration with skilltohire.com from 3rd July to 5th July 2020

Graduation Day @ JBIET

Dr. Arun Sampal Thomas received cash award for Scopus paper publication as a research promotion scheme.

- A National Level Online Quiz on "Analog Communications " organized by ECM Dept. on 2nd July 2020
- Faculty Group Discussion on “How to make Online Learning more Effective” on 9th July 2020

Department of ECM organized Webinar on “Hybrid Cloud :Next Step in Cloud Computing” on 4/07/2020. The Resource Person was Mr. Ajay Sharma, Senior Delivery Project Executive, IBM & Mr. Anand Muley, Senior Delivery Project Executive, IBM.

 Department of Mining Engineering

Webinar on:

OPENCAST MINING AND ITS CHALLENGES

18th July 2020
 (Saturday)
 At 3pm
 Via 'ZOOM'

By:
MR. D. V. RAMANAYYA
 General Manager-Mines,
 Star Cements Ltd.

CONVENER:
 Ch. Veera Reddy
 (Head, Mining Department)

COORDINATORS:
 Amarendra Sahoo (Asst. Professor)
 L. Krishna (Asst. Professor)
 B. Rakesh (Asst. Professor)

CONTACT US: +91 9553939316, hodmining@jbiet.edu.in

Mining Department organized Webinar on Opencast Mining and its Challenges on 18th July 2020. The Resource Person was Mr. D.V. Ramanayya, General Manager Mines, Star Cement Ltd.

A Three Days Online National Workshop on Eradicating Pandemic Effects with the help of 5Q

23rd July-25th July, 2020
Everyday Session: 10:30 AM-12:30 PM & 2:00 4:00 PM

<p>Patron Sri J.V. Krishna Rao Secretary, JBES</p>	<p>Co Patrons Maj. Gen. Dr. S. S. Dasaha, (Retd.) SM, VSM CEO, JB Group of Institutions Dr. S. Sudahara Reddy, Principal, JBIET Dr. Niraj Upadhyaya, Dean, R&D, JBIET</p>	<p>Workshop Chair Dr. Touheed Sultana Convener, IEEE Student Branch, JBIET HOD, ECE</p>	<p>Coordinators Dr. Anindya Jana Coordinator, IEEE Student Branch, JBIET Associate Professor, ECE Mr. Rajkumar D Bhure Associate Professor, ECE</p>
---	--	---	---

ECE Department organized 3 Day National Workshop on “Eradicating Pandemic Effects with the help of 5Q” from 23rd July 2020 to 25th July 2020 in association with IEEE Hyderabad Section

INTENSIVE TEACHING WORKSHOP – JULY-AUGUST 2020 was organized from 27th July to 7th August 2020.

- Workshop on Effective English Communication skill for Teaching & Non-Teaching Staff from 17th August to 27th August 2020
- Orientation Day Programme for Lateral Entry Students was organized on 29th October 2020.

Rashtriya Ekta Divas – Pledge taking Ceremony by Teaching & Non- Teaching Staff on 31st October 2020.

J.B. INSTITUTE OF ENGINEERING AND TECHNOLOGY
 (UGC Autonomous)

NATIONAL SERVICE SCHEME
Celebration of Constitution Day
26th November 2020

SPEAKERS:
Prof. K.Rama Krishna.
 HOD CSE
 Stanley College of Engineering and Technology,
 Hyderabad.

Shri.A.Gavarraju
 MPDO (Retd.), Mahabubabad.

N.Thirupathi Rao
 NSS Program Officer

Dr.S.Sudhakar Reddy
 Principal

Central Library organized National Webinar on Information Sources & Services in Engineering & Technology: Recent Trends

J.B. Institute of Engineering & Technology
